Exclusive Common Area shall be Common Area that is reserved for the exclusive use or primary benefit of Owners, occupants, and invitees of Lots within a particular Neighborhood or Neighborhoods. Exclusive Common Area may include, without limitation, recreational facilities, landscaped rights of way and medians, and other portions of the Common Area within a particular Neighborhood or Neighborhoods. All costs associated with maintenance, repair, replacement, and insurance of Exclusive Common Area shall be assessed as a Neighborhood Assessment in addition to the Base Assessment against the Owners of Lots in those Neighborhoods to which the Exclusive Common Area is assigned.

The Declarant may designate Exclusive Common Area or change such designation by recording a Supplemental Declaration with the Office of the County Recorder indicating the Exclusive Common Area and the Neighborhood or Neighborhoods to which it is assigned. In addition, by recording a Supplemental Declaration, the Association may designate Common Area as Exclusive Common Area upon a majority vote of the Class "A" Members in the

Association or change such designation upon a majority vote of Class "A" Members in each affected Neighborhood (i.e., the Neighborhood(s)) within which the Exclusive Common Area is being designated or from which it is being redesignated). In addition, as long as the Declarant owns any property described in Exhibit "A" to this Declaration, its consent shall be required for any designation or change in designation of Exclusive Common Area. The Association may permit Owners of Lots in other Neighborhoods to use all or a portion of Exclusive Common Area assigned to other Neighborhoods upon payment of reasonable use fees which shall offset the Neighborhood Expenses attributable to such Exclusive Common Area.

ARTICLE III

ASSOCIATION FUNCTION, MEMBERSHIP, AND VOTING RIGHTS

3.1. Function of Association. The Association shall be the entity responsible for management, maintenance, operation, and control of the Area of Common Responsibility. The Association shall be the primary entity responsible for compliance with and enforcement of this Declaration and such reasonable rules regulating use of the Properties as are adopted in accordance with the Governing Documents. The Association also shall be responsible for administering, monitoring compliance with, and enforcing the Design Guidelines after such time as the Declarant transfers its authority to enforce the Design Guidelines to the Association or when otherwise designated by the Declarant. The responsibilities of the Association may be delegated to committees or the Association may engage outside Persons to monitor and enforce this Declaration (including, without limitation, the Use Restrictions) and the Design Guidelines in accordance with policies established by the Board. The Association shall perform its functions in accordance with this Declaration, the By-Laws, the Articles, and Arizona law.

3.2. Membership. Every Owner shall be a Member of the Association; provided, there shall be only one membership per Lot. If a Lot is owned by more than one Person, all Persons comprising the Owner shall share the privileges of membership, subject to (i) reasonable Board regulation, (ii) the limitations set forth in, and such reasonable fees as may be established under Article II, and (iii) the restrictions on voting set forth in Section 3.3 and in the By-Laws. All Persons comprising a single Owner shall be jointly and severally obligated to perform the responsibilities of such Owner. The membership rights of an Owner which is a corporation, partnership, or other legal entity may be exercised by any officer, director, partner, or trustee, or by any other individual having apparent authority or who is designated from time to time by the Owner in a written instrument provided to the Secretary of the Association.

3.3. Voting. The Association shall have two classes of membership, Class "A" and Class "B."

(a) Class "A." The Class "A" Members shall be all Owners except the Class "B" Member, if any. Class "A" Members shall have one equal vote for each Lot in which they hold the interest required for membership under Section 3.2; provided, there shall be only one Class "A" vote per Lot.

(b) Class "B." The Class "B" Member shall be, collectively, the Declarant and any Builder(s) who are Owners. The Class "B" Member shall not vote on a per Lot basis. The

rights of the Class "B" Member, including the right to disapprove actions of the Board and committees, are specified in this Declaration and the By-Laws and, unless otherwise specified, shall be exercised by the Declarant in its sole and absolute discretion. The Class "B" membership shall cease and be converted to Class "A" membership upon the earliest of the following:

- (i) two years after the expiration of the Class "B" Control Period;
- (ii) when 100% of the Maximum Lots have been conveyed to Class "A" Members; or
- (iii) when, in its discretion, the Declarant so determines.

From and after the termination of the Class "B" membership, each of the Persons comprising the Class "B" Member shall be deemed to be Class "A" Members and shall be entitled to one vote for each Lot in which it holds the interest required for membership under Section 3.2.

(c) Exercise of Voting Rights. Members may vote as provided in the By-Laws. The Board shall determine whether votes shall be cast in person, by mail, electronically, or by such other means as may be determined by the Board from time to time. If there is more than one Person comprising the Owner of a particular Lot, the vote for such Lot shall be exercised as all Persons comprising the Owner determine among themselves and advise the Secretary of the Association in writing prior to any meeting. Absent such notice to the Association, the Lot's vote shall be suspended if more than one Person seeks to exercise it.

3.4. Neighborhoods and Neighborhood Representatives.

(a) Neighborhoods. Every Lot shall be located within a Neighborhood. The Lots within a particular Neighborhood may be subject to additional covenants. In addition, if (but only if) required by law or by the Declarant, the Owners of Lots within a particular Neighborhood shall be members of a Neighborhood Association.

Any Neighborhood may, upon the affirmative vote, written consent, or a combination thereof, of a majority of the Class "A" Members in the Neighborhood, request that the Association provide an increased level of service or special services for the benefit of Lots in such Neighborhood. In such event, the Association may, but shall not be obligated to, provide such service or services. If provided, all costs shall be assessed against the Lots within such Neighborhood as a Neighborhood Assessment pursuant to Article IX. The Neighborhood Representative shall communicate all such requests to the Board.

Each Neighborhood shall hold meetings as required by the Board or upon the petition of at least 10% of the Class "A" Members in the Neighborhood. All Owners in the Neighborhood shall be entitled to attend Neighborhood meetings. The Neighborhood Representative shall preside over Neighborhood meetings and shall place such issues on the agenda as the Board may determine. The presence of at least 15% of the Class "A" Members in a Neighborhood shall constitute a quorum at any Neighborhood meeting.

Exhibit "A" to this Declaration, and each Supplemental Declaration filed to subject additional property to this Declaration, shall initially assign the property described therein to an existing or newly created Neighborhood by name. Subject to any applicable law, the Declarant, as long as it owns any property described in Exhibit "A.*" may unilaterally amend' this Declaration or any Supplemental Declaration to redesignate Neighborhood boundaries. After such time, the Association may redesignate Neighborhood boundaries upon the affirmative vote of a majority of the Class "A" Members in each affected Neighborhood so long as such redesignation does not overburden any Exclusive Common Area; provided, the consent of the Declarant must be obtained for such redesignation so long as the Declarant owns any Lots within either of the affected Neighborhoods.

(b) Neighborhood Representative. Each Neighborhood shall be represented by a Neighborhood Representative and an alternate. Neighborhood Representatives shall preside over meetings of their respective Neighborhood and shall be responsible for communication between the Owners in the Neighborhood and the Board. Neighborhood Representatives also shall attend Neighborhood Representative meetings when requested by the Board. An alternate Neighborhood Representative shall act in the absence of the Neighborhood Representative. The alternate Neighborhood Representative may attend meetings of the Neighborhood Representatives but shall not be able to formally represent his or her Neighborhood except in the absence of the Neighborhood Representative.

The Board shall establish rules and procedures governing the selection or election of the Neighborhood Representatives, the length of the term to be served by Neighborhood Representatives, and the limitations, if any, on the ability to serve consecutive terms. Such rules and procedures may be revised by the Board from time to time. Notwithstanding the above, the Neighborhood Representative for any particular Neighborhood shall be selected by the Board until 50% of the Dwelling Units planned for such Neighborhood have been constructed and are owned by Class "A" Members. Any Owner or Qualified Occupant of a Dwelling Unit within a Neighborhood shall be eligible to serve as the Neighborhood Representative or alternate for such Neighborhood.

Any Neighborhood Representative or alternate may be removed, with or without cause, by the Board if it determines that the Neighborhood Representative or alternate is not satisfactorily representing his or her Neighborhood. Neighborhood Representatives and alternates are deemed automatically removed if they no longer own or are a Qualified Occupant of a Dwelling Unit in the Neighborhood. If at any time a Neighborhood does not have a Neighborhood Representative and alternate, the Board shall select a replacement to fill the vacancy.

ARTICLE IV RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

4.1. Personal Property and Real Property for Common Use. The Association may acquire, hold, and dispose of tangible and intangible personal property and real property. Declarant may convey to the Association improved or unimproved real estate located within the properties described in Exhibit "A," personal property, and leasehold and other property

interests. Such property shall be accepted by the Association and thereafter shall be maintained as Common Area by the Association at its expense for the benefit of its Members, subject to any restrictions set forth in the deed, including but not limited to, restrictions governing the use or maintenance of such property.

The Declarant shall convey the initial Common Area to the Association prior to or concurrent with the conveyance of the first Lot to a Class "A" Member.

4.2. Enforcement. The Board may impose sanctions for violation of this Declaration, the By-Laws, or any rule or regulation, after notice and a hearing in accordance with the procedures set forth in the By-Laws. Such sanctions may include, without limitation:

(a) imposing reasonable monetary fines (In the event that any occupant, guest, or invitee of a Lot violates any provision of any of the Governing Documents and a fine is imposed, the fine shall first be assessed against the occupant; provided, however, if the fine is not paid by the occupant within the time period set by the Board, the Owner shall pay the fine upon notice from the Board);

(b) suspending an Owner's right to vote;

(c) suspending any Person's right to use any recreational facilities within the Common Area; provided, however, nothing herein shall authorize the Board to limit ingress or egress to or from a Lot;

(d) suspending any services provided by the Association to an Owner or the Owner's Lot if the Owner is more than 30 days delinquent in paying any assessment or other charge owed to the Association; and

(e) levying Benefitted Assessments to cover costs incurred or to be incurred in bringing a Lot into compliance in accordance with Section 9.7(b).

In addition, the Board may elect to enforce any provision of the Governing Documents by self-help (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules and regulations in accordance with any applicable ordinances) of the City of Surprise or the County of Maricopa, Arizona) or by suit at law or in equity to enjoin any violation or to recover monetary damages or both, without the necessity of compliance with the procedures set forth in Article XVI or in the By-Laws.

All remedies set forth in this Declaration and the By-Laws shall be cumulative of any remedies available at law or in equity. In any action to enforce the provisions of any of the Governing Documents, if the Association prevails, it shall be entitled to recover all costs, including, without limitation, attorneys fees and court costs, reasonably incurred in such action.

The Association shall be obligated to investigate allegations of violations of any covenant, restriction, or rule set forth in any of the Governing Documents. Following such investigation, the decision to take or not take enforcement action shall, in each case, be in the

discretion of the Board, in the exercise of its business judgment. Without limiting the generality of the Board's discretion, if the Board reasonably determines that a covenant, restriction, or rule is, or is likely to be construed as, inconsistent with the applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement action, the Board shall not be obligated to take such action. Any such determination shall not be construed a waiver of the right of the Association to enforce such provision at a later time or under other circumstances, or estop the Association from enforcing any other covenant, restriction, or rule.

Notwithstanding the above, if in the discretion of the Declarant as long as Declarant owns any property described in Exhibit "A," the Association fails to take appropriate action to enforce any provision of the Governing Documents in accordance with its rights and responsibilities, the Declarant may take such enforcement action on behalf of the Association.

Declarant shall not take such action without first providing the Association written notice and a reasonable opportunity to take such action on its own.

4.3. Implied Rights: Board Authority. The Association may exercise any right or privilege given to it expressly by this Declaration or the By-Laws or which may be reasonably implied from, or reasonably necessary to effectuate, any such right or privilege. Except as otherwise specifically provided in this Declaration, the By-Laws, Articles, or by law, all rights and powers of the Association may be exercised by the Board without a vote of the membership.

4.4. Governmental Interests. So long as the Declarant owns any property described in Exhibit "A." the Declarant may designate sites within the Properties for fire, police and utility facilities, public schools and parks, and other public facilities in accordance with the Master Plans and applicable laws. The sites may include Common Area if otherwise permitted by the Master Plans. Such property shall be exempt from assessment as provided in Section 9.12.

4.5. Dedication of Common Area. The Association, in the exercise of the Board's business judgment, may dedicate or grant easements over portions of the Common Area to any local, state, or federal governmental entity or any utility company. This right shall not be construed as a limitation upon the right of the Board to permit entry upon the Common Area or to grant licenses permitting the use of the Common Area by third parties for purposes deemed, in the discretion of the Board, to benefit the Properties.

4.6. Assumption of Risk. The Association may, but shall not be obligated to, sponsor certain activities or provide facilities designed to promote the health, safety, and welfare of Owners and occupants. Notwithstanding anything contained herein or in any of the Governing Documents, neither the Association, the members of the Board, the officers of the Association, the management company of the Association, nor the Declarant shall be liable or responsible for, or in any manner a guarantor or insurer of the health, safety or welfare of any Owner or occupant of any Lot or any tenant, guest or invitee of any Owner or occupant or for any property of any such Persons. Each Owner and occupant of a Lot and each tenant, guest, and invitee of any Owner or occupant shall assume all risks associated with the use and enjoyment of the Properties, including all Common Area and all recreational facilities, if any.

Neither the Association, the members of the Board, the officers of the Association, the Association's management company, nor the Declarant shall be liable or responsible for any personal injury, illness, or any other loss or damage caused by the presence or malfunction of utility lines or utility sub-stations adjacent to, near, over, or on the Properties. Each Owner and occupant of a Lot and each tenant, guest, and invitee of any Owner or occupant shall assume all risk of personal injury, illness, or other loss or damage arising from the presence or malfunction of utility lines or utility sub-stations and further acknowledges that neither the Association, the members of the Board, the officers of the Association, the Association's management company, nor the Declarant have made any representations or warranties, nor has any Owner or occupant, or any tenant, guest, or invitee of any Owner or occupant relied upon any representations or warranties, expressed or implied, relative to the condition or impact of utility lines or utility substations.

No provision of the Governing Documents shall be interpreted as creating a duty of the Association, the members of the Board, the officers of the Association, the management company of the Association, or the Declarant to protect or further the health, safety, or welfare of any Person(s), even if the funds of the Association are used for any such purpose.

Each Owner (by virtue of his or her acceptance of title to his or her Lot) and each other Person having an interest in or lien upon, or making any use of, any portion of the Properties (by virtue of accepting such interest or Hen or making such use) shall be bound by this Section and shall be deemed to have waived any and all rights, claims, demands, and causes of action against the Association, the Board, the Association's management company, and the Declarant, their directors, officers, committee and board members, employees, agents, contractors, subcontractors, successors, and assigns arising from or connected with any matter for which the liability has been disclaimed.

4.7. Security. The Association may maintain or support certain activities within the Properties designed to make the Properties safer than they otherwise might be; provided, however, unless otherwise specifically indicated in this Declaration, the Association shall not be obligated to maintain or support such activities.

Neither the Association, its officers, the Board, the Association's management company, nor the Declarant shall in any way be considered insurers or guarantors of security within the Properties. Neither the Association, its officers, (he Board, the Association's management company, nor the Declarant, shall be held liable for any loss or damage for failure to provide adequate security or for the ineffectiveness of any security measures undertaken.

All Owners and occupants of any Lot, and all tenants, guests, and invitees of any Owner, acknowledge that neither the Association, its officers, the Board, the Association's management company, the Declarant, nor the Architectural Review Committee (as described in Article X) represent or warrant that any patrolling of the Properties, neighborhood watch group, volunteer security patrol, fire protection system, burglar alarm system, or other security system designated by or installed according to guidelines

established by the Declarant or the Architectural Review Committee may not be compromised or circumvented; nor that any patrolling of the Properties, neighborhood watch group, volunteer security patrol, fire protection system, burglar alarm system, or other security systems will prevent loss by burglary, theft, hold-up, or otherwise; nor that patrolling of the Properties, neighborhood watch group, volunteer security patrol, fire protection system, burglar alarm system, or other security systems will in all cases provide the detection or protection for which the system is designed or intended.

All Owners and occupants of any Lot and all tenants, guests, and invitees of any Owner assume all risks for loss or damage to Persons, to Lots, and to the contents of Lots and further acknowledge that the Association, its officers, the Board and committees, the Association's management company, or the Declarant, have made no representations or warranties, nor has any Owner, occupant, or any tenant, guest, or invitee of any Owner relied upon any representations or warranties, expressed or implied, relative to any patrolling of the Properties, neighborhood watch group, volunteer security patrol, fire protection system, burglar alarm system, or other security systems recommended or installed or any security measures undertaken within the Properties.

4.8. Powers of the Association Relating to Neighborhood Associations. No action of any Neighborhood Association shall become effective or be implemented until and unless the Association shall have been given written notice of such proposed action and shall not have disapproved of the proposed action, or unless such action is in strict compliance with guidelines set by the Board. The Association shall have ten business days from receipt of the notice to disapprove any proposed action. The Association may disapprove any action taken or contemplated by any Neighborhood Association which the Board reasonably determines to be adverse to the interests of the Association or its Members or inconsistent with the Community-Wide Standard.

The Association also may require specific action to be taken by any Neighborhood Association to fulfill its obligations and responsibilities under this Declaration or any other applicable covenants. Without limiting the generality of the foregoing, the Association may (a) require specific maintenance or repairs or aesthetic changes to be effectuated by the Neighborhood Association, and (b) require that a proposed Neighborhood budget include the cost of such work.

Any action specified by the Association in a written notice pursuant to the foregoing paragraph to be taken by a Neighborhood Association shall be taken within the reasonable time frame set by the Association in such written notice. If the Neighborhood Association fails to comply with the requirements set forth in such written notice, the Association shall have the right to effect such action on behalf of the Neighborhood Association.

To cover the Association's administrative expenses in connection with the foregoing and to discourage failure to comply with the requirements of the Association, the Association shall assess the Lots in such Neighborhood for their pro rata share of any expenses incurred by the Association in taking such action. Such assessments shall be Benefitted Assessments as

described in Section 9.7 and shall be subject to all collection and lien rights provided in Article IX.

4.9. Recycling Programs. The Board may establish a recycling program and recycling center within the Properties, and in such event all occupants of Dwelling Units shall support such program by recycling, to the extent reasonably practical, all materials which the Association's recycling program or center is designed to accommodate. The Association may, but shall have no obligation to, purchase recyclable materials in order to encourage participation, and any income received by the Association as a result of such recycling efforts shall be used to reduce Common Expenses.

4.10. Provision of Services. The Association may provide services and facilities for the Members of the Association and their guests, lessees and invitees. The Association shall be authorized to enter into contracts or other similar agreements with other entities, including Declarant, to provide such services and facilities. The costs of services and facilities provided by the Association may be funded by the Association as a Common Expense. In addition, the Board shall be authorized to charge additional use and consumption fees for services and facilities. By way of example, some services and facilities which may be provided include landscape maintenance, pest control service, cable television service, security, caretaker, fire protection, utilities, and similar services and facilities. The Board shall be permitted to modify or cancel existing services or facilities, if any, or to provide additional services and facilities. Nothing contained herein shall be relied upon as a representation as to what services and facilities, if any, will be provided by the Association.

4.11. Change of Use of Common Area. The Board may change the use of any portion of the Common Area and construct, reconstruct, or change the buildings and other improvements thereon in any manner necessary to accommodate the new use of the Common Area. Any new use shall be for the benefit of the Owners and not inconsistent with the then effective Master Plans. Any change in use of the Common Area shall be subject to approval by the Declarant as long as it owns any property described in Exhibit "A" but shall not be subject to approval by any other Owner.

4.12. View Impairment. Neither the Declarant nor the Association guarantees or represents that any view over and across any property, including any Lot, from adjacent Lots will be preserved without impairment. Neither the Declarant nor the Association shall have the obligation to prune or thin trees or other landscaping except as set forth in Article V. Any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.

4.13. Relationship with Tax-Exempt Organizations. The Association may create, enter into agreements or contracts with, grant exclusive and/or non-exclusive easements over the Common Area to, or transfer portions of the Common Area to non-profit, tax-exempt organizations, including, but not limited to, organizations that provide facilities and services designed to meet the physical and social needs of older persons, for the benefit of the Properties, the Association, its Members and residents. The Association may contribute money, real or personal property, or services to any such entity. Any such contribution shall be a Common

Expense of the Association and shall be included as a line item in the Association's annual budget. For the purposes of this Section, a "tax-exempt organization" shall mean an entity which is exempt from federal income taxes under the Internal Revenue Code, as may be amended from time to time.

4.14. Relations with Adjacent Properties. Adjacent to or in the vicinity of the Properties are properties which have been or, in the future, may be developed as independent commercial and/or residential areas (including, but not limited to, rental apartments, life care facilities and retail or other business areas). The Declarant or the Association may enter into a Covenant to Share Costs with all or any of the owners of such adjacent or nearby commercial and/or residential areas which allocates access, use of Common Area, maintenance responsibilities, expenses, and other matters between the Association and such property owners.

4.15. Amenities Reciprocal Use Agreements. The Association may from time to time, enter into Amenities Reciprocal Use Agreements ("Amenities Agreements") with other master planned communities which are age-restricted pursuant to the Federal Fair Housing Act Under such an Amenities Agreement, Persons associated with such other master planned communities shall be entitled to use the Association's recreational facilities and other amenities, and the

Members and their guests, as described in such agreements, shall be entitled to use the recreational facilities and other amenities in such other master planned communities to the extent specifically identified in the Amenities Agreement. Amenities Agreements shall be subject to termination in the discretion of the Board.

All Members and their guests, as described in the Amenities Agreements, shall be entitled to enjoy the benefits of any Amenities Agreements to which the Association is a party, to the extent provided in the Amenities Agreement. In consideration for such rights, if any, each Member shall be responsible for user fees for the use of facilities by such Member and such Member's guests, in accordance with any applicable Amenities Agreement. Rights to use any or all recreational facilities and other amenities shall be subject to any priorities for use established under the Amenities Agreements and any rules and regulations established by the parties to such Amenities Agreements.

The Association may enter into more than one Amenities Agreement and may amend Amenities Agreements for any purpose, including but not limited to, adding additional parties in accordance with the terms of such Amenities Agreements.

4.16. Maintenance of Underground Storage Facilities. The Declarant shall maintain the underground water storage facilities until such time as it transfers ownership and responsibility for operation and maintenance of such facilities to the Association. The Association shall have no rights to operate or maintain the underground storage facilities prior to the same being transferred or assigned by the Declarant. The Association shall accept the underground storage facilities in their then current condition at the time the Declarant transfers them and shall have no claim against the Declarant for any malfunction of or latent defects in the underground storage facilities; provided, however, the Declarant shall transfer the underground storage facilities in working condition as determined by local industry standards and not subject to patent defects.

Each golf course which is served by the underground water storage facilities, whether a Private Amenity or owned by the Association as Common Area, shall contribute to the cost of operating and maintaining such facilities. The allocation of costs between and among such golf courses shall be based upon the water usage of each golf course, respectively, relative to the total water usage of all the golf courses, collectively.

4.17. Compliance with Development Agreements. The development and operation of Sun City Grand is subject to various development agreements between and among Declarant and its affiliates, and various governmental authorities, including, but not limited to, the Master Plans and the MWD Agreement (defined in Section 4.18 below) (collectively, the "Development Agreements"), as amended or may be amended from time to time. The Association shall comply with all terms and conditions of the Development Agreements, as applicable, and shall accept responsibility for and shall comply with any obligations of the Declarant under the Development Agreements which are assigned to it by the Declarant.

Pursuant to the MWD Agreement, Declarant and the Association, as the Declarant's successor in interest, are obligated to pay to MWD an amount in lieu of but equal to the taxes and assessments of MWD that would otherwise have been applicable to portions of the Properties had such lands not been retired from irrigation (the "In Lieu Payments").

The MWD Agreement provides for the delivery of water to Declarant and the Association, as its successor in interest, for use on golf courses and Common Areas, exclusive of dedicated roads and other dedicated rights-of-way ("Turf Lands"), for underground storage recovery projects, and for the payment of the In Lieu Payments. The payment of the In Lieu Payments is a condition to the delivery of water to the Turf Lands within the Properties. In the event the Declarant or the Association as the Declarant's successor-in-interest fails to pay when due the In Lieu Payments, or any portion thereof, MWD has the right to place a lien upon the Turf Lands and, after notice and non-payment of the In Lieu Payments, to foreclose the lien as a deed of trust security lien in accordance with Arizona law. - (h) any additional property included within the Area of Common Responsibility as may be dictated by this Declaration, any Supplemental Declaration, any Covenant to Share Costs, any plat of any portion of the Properties, or any contract or agreement for maintenance thereof entered into by the Association; and
- (i) any property and facilities owned by the Declarant and made available, on a temporary or permanent basis, for the primary use and enjoyment of the Association and its Members. Such property shall be identified by written notice from the Declarant to the

Association. The Association's responsibility shall terminate at such time as Declarant revokes the privilege of use and enjoyment by written notice to the Association.

The Association may, but shall not be obligated to, assume maintenance responsibility for property within any Neighborhood, the responsibility for which lies with a Neighborhood Association, in addition to any property which the Association is obligated to maintain by this Declaration or any Supplemental Declaration. Such responsibility shall be assumed either by agreement with (he Neighborhood Association or because, in the opinion of the Board, the level and quality of service then being provided is not consistent with the Community-Wide Standard. All costs of such maintenance shall be assessed as a Neighborhood Assessment against the Lots within the Neighborhood for which the services are provided. The provision of services in accordance with this Section shall not constitute discrimination within a class.

The Association may maintain other property which it does not own, including, without limitation, property dedicated to public use, if the Board determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard and if otherwise permitted by applicable law.

Except as otherwise specifically provided herein, all costs for maintenance, repair, and replacement of the Area of Common Responsibility shall be a Common Expense allocated among all Lots as part of the Base Assessment, without prejudice to the right of the Association to seek reimbursement from the Persons responsible for such work pursuant to this Declaration, other recorded covenants, or agreements with such Persons. All costs associated with maintenance, repair and replacement of Exclusive Common Area shall be a Neighborhood

Expense assessed as a Neighborhood Assessment against the Lots within the Neighborhood(s) to which the Exclusive Common Area is assigned.

If, in the discretion of the Declarant, and as long as Declarant owns any property described in Exhibit "A." the Association fails to perform its maintenance responsibilities or enforce the maintenance responsibilities of Owners in the manner required by the Declaration, Declarant may cause such maintenance to be performed and, in such event, the Association shall reimburse Declarant for all costs incurred. Declarant shall not take such action without first providing the Association written notice and a reasonable opportunity to perform the required maintenance.

5.2. Owner's Responsibility. Each Owner shall maintain his or her Lot, Dwelling Unit, and all other structures, parking areas, landscaping, and other improvements comprising the Lot in a manner consistent with the Community-Wide Standard and all applicable covenants, the Design Guidelines and the Use Restrictions, unless such maintenance responsibility is otherwise assumed by or assigned to the Association or a Neighborhood Association pursuant to any Supplemental Declaration or other declaration of covenants applicable to such Lot.

Each Owner shall be responsible for maintaining and repairing any sidewalk adjacent to any portion of his or her Lot in accordance with the Community-Wide Standard. In the event an Owner fails to maintain or repair the sidewalks adjacent to his or her Lot, the Association may,

but shall not be obligated to, take any enforcement action provided in this Declaration, including levying Benefited Assessments.

In addition to any other enforcement rights, if an Owner fails properly to perform his or her maintenance responsibility, the Association may perform such maintenance responsibilities and assess all costs incurred by the Association against the Lot and the Owner in accordance with Section 9.7. The Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry, except when entry is required due to an emergency situation.

5.3. Neighborhood's Responsibility. Upon Board resolution, the Owners of Lots within each Neighborhood shall be responsible for paying, through Neighborhood Assessments, the costs of operating, maintaining and insuring certain portions of the Area of Common Responsibility within or adjacent to such Neighborhood. This may include, without limitation, the costs of maintaining, any signage, entry features, right-of-way, and open space between the Lots within the Neighborhood and adjacent public roads and private streets within the Neighborhood, regardless of ownership and regardless of the fact that such maintenance may be performed by the Association; provided, however, all Neighborhoods which are similarly situated shall be treated the same. As an alternative, the Board may resolve that such maintenance shall be performed by the applicable Neighborhood Association, if any.

All maintenance required of a Neighborhood Association under this Declaration or any additional covenants or agreements shall be performed consistent with the Community-Wide Standard. If any Neighborhood Association fails to perform such maintenance, the Association may perform it and assess the costs against all Lots within such Neighborhood as provided in Section 9.7.

5.4. Standard of Performance. Maintenance, as used in this Article, shall include, without limitation, repair and replacement as needed, as well as such other duties, which may include irrigation, painting, plant replacement, weeding, and trimming, as the Board may determine to be necessary or appropriate to satisfy the Community-Wide Standard. All maintenance shall be performed in a manner consistent with the Community-Wide Standard and all applicable covenants, as determined by the Board.

Portions of the Properties are environmentally sensitive and/or may provide greater aesthetic value than other portions of the Properties. The Board or the Declarant, as long as it owns any property described in Exhibit "A." may establish a higher Community-Wide Standard for such areas and require additional maintenance for such areas to reflect the nature of such property.

Notwithstanding anything to the contrary contained herein, neither the Association, any Owner, nor any Neighborhood Association shall be liable for property damage or personal injury occurring on, or arising out of the condition of, property which it does not own unless and only to the extent that it has been negligent in the performance of its maintenance responsibilities.

5.5. Party Walls and Party Fences. Each wall and fence built by the Declarant or a Builder as part of the original construction on any Lot:

(a) any part of which is built upon or straddling the boundary line between two adjoining Lots or between a Lot and the Common Area; or

(b) which is constructed within five feet of the boundary line between adjoining Lots, between a Lot and the Common Area, between a Lot and any public street or other property not subject to this Declaration, or between the Common Area and any public street or other property not subject to this Declaration, has no windows or doors, and is intended to serve as a privacy wall; or

(c) which, in the reasonable determination of the Board, otherwise serves and/or separates two adjoining Lots or a Lot and the Common Area, regardless of whether constructed wholly within the boundaries of one Lot; shall constitute a party wall or party fence (herein referred to as a "party structure").

The Owners of any Lot served by a party structure shall own that portion of the party structure lying within the boundaries of such Owner's Lot and shall have an easement for use and enjoyment and, if needed, for support, in that portion, if any, of the party structure lying within the boundaries of the property adjoining his or her Lot. Each Owner shall be responsible for maintaining property insurance, as more particularly provided in Section 6.3, providing coverage for that portion of any party structure lying within the boundaries of such Owner's Lot and shall be entitled to all insurance proceeds paid under such policy on account of any insured loss.

With respect to a party structure between Lots, the responsibility for the repair and maintenance of the party structure and the reasonable cost thereof shall be shared equally by the adjoining Lot Owners; provided, however, any damage to a party structure resulting solely from the actions of any Owner shall be repaired at the sole cost of such Owner. To the extent damage to a party structure from fire, water, soil settlement, or other casualty is not repaired out of the proceeds of insurance, any affected Owner may restore it. If other Owners thereafter benefit from the party structure, they shall contribute to the restoration cost in equal shares without prejudice to any Owner's right to larger contributions from other users under any rule of law. Any Owner's right to contribution from another Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors-in-title. Any disputes between Owners with respect to maintenance or repairs of party structures shall be resolved in accordance with the procedures set forth in Article XVI.

With respect to party structures between Lots and Common Area, between Lots and any public street, and between Lots and other property not subject to this Declaration, the Association shall be responsible for all maintenance and repair thereof subject to the provisions of Section 9.7(b), except that an Owner shall be responsible for painting and making cosmetic repairs to the portion of the party structure, other than any wrought iron comprising such party structure, facing his or her Lot. The Association shall be responsible for all maintenance and repair, including painting and cosmetic repairs, of all wrought iron comprising such party structures. The Association shall have an easement over any affected Lot to perform its maintenance responsibilities hereunder. Notwithstanding the above, unless otherwise agreed upon with the owner of property which is not subject to this Declaration, the Association shall maintain that portion of any party structure facing such property.

With respect to any party structure between Common Area and any public street or other property which is not subject to this Declaration, unless otherwise agreed upon with the owner of such property, the Association shall be solely responsible for maintaining and repairing such party structures.

The costs incurred by the Association in maintaining and repairing party structures pursuant to this Section shall be a Common Expense allocated among all Lots as part of the Base Assessment, without prejudice to the right of the Association to seek reimbursement from any Owner deemed to have caused the condition in need of repair pursuant to this Declaration, other recorded covenants, or agreements with such Persons.

Notwithstanding the above, no Owner may remove a party structure or make structural or design changes to a party structure without first complying with the requirements set forth in Article X and gaining the approval of all Owners of affected Lots.

This Section 5.5 shall not apply to any party structure which separates the interiors of adjoining Dwelling Units. The rights of the Owners of adjoining Dwelling Units with regard to such party structures shall be governed by plats showing the boundaries of each of the adjoining Dwelling Units, and any specific covenants, conditions, and restrictions recorded with respect to such Dwelling Units.

ARTICLE VI INSURANCE AND CASUALTY LOSSES

6.1. Association Insurance. The Association, acting through its Board or its duly authorized agent, shall obtain and continue in effect, the following types and amounts of insurance, if available at a reasonable cost, or if not reasonably available, the most nearly equivalent coverages as are reasonably available:

(a) Blanket property insurance covering risks of physical loss on an "all-risk" basis (or comparable coverage by whatever name denominated) for all insurable improvements on the Common Area and on other portions of the Area of Common Responsibility to the extent that it has assumed responsibility for maintenance, repair, and/or replacement in the event of a casualty. If such coverage is not available at a reasonable cost, then "broad form named perils" coverage may be substituted. Such insurance shall include coverage for flood and earth movement to the extent that such insurance is reasonably available.

In addition, the Association may, upon request of a Neighborhood Association, and shall, if so specified in a Supplemental Declaration applicable to the Neighborhood Association, obtain and continue in effect property insurance covering risks of physical loss on an "all risk" basis for insurable improvements in the Neighborhood; provided, the Association shall not be obligated to provide property insurance coverage for any Lot or Dwelling Unit, or the contents thereof. If such coverage is not available at a reasonable cost, then "broad form named perils" coverage may be substituted.

All property insurance policies obtained by the Association shall have policy limits sufficient to cover the full insurable replacement cost of the insured property. Costs of property insurance obtained by the Association on the behalf of a Neighborhood shall be charged to the Owners of Lots within the benefitted Neighborhood as a Neighborhood Assessment;

(b) Commercial general liability insurance on the Area of Common Responsibility, insuring the Association and its Members for damage or injury caused by the negligence of the Association or any of its Members, employees, agents, or contractors while acting on its behalf and including coverage for owned and non-owned automobile liability. If generally available at reasonable cost, the commercial general liability insurance shall have a limit of at least \$5,000,000.00 per occurrence with respect to bodily injury, personal injury, and property damage; provided, should additional coverage and higher limits be available at reasonable cost, and such additional coverage and higher limits would be obtained by a reasonably prudent person, the Association shall obtain the same. Notwithstanding the above, if the required limits are not available at a reasonable cost, lower limits, as determined in the Board's business judgment, may be obtained;

(c) Workers compensation insurance and employers liability insurance if and to the extent required by law;

(d) Directors and officers liability insurance or equivalent association liability insurance at limits determined in the Board's business judgment;

(e) Commercial crime insurance, including employee fidelity insurance, in an amount determined in the business judgment of the Board; provided, the amount of any employee fidelity insurance shall not be less than one-sixth of the annual Base Assessments on all Lots plus reserves on hand. Such commercial crime insurance shall cover funds held by the Association's management company, unless such management company's insurance insures the Association against crimes committed by or against such management company. Fidelity insurance policies shall contain a waiver of all defenses based upon the exclusion of Persons serving without compensation; and

(f) Such additional insurance as the Board, in its business judgment, determines advisable, which may include, without limitation, employee benefits liability insurance, boiler and machinery insurance, and building ordinance insurance.

6.2. Association Policy Requirements. Prior to the renewal of any insurance policy and at least annually, the Association shall arrange for a review of the sufficiency of insurance coverage by one or more qualified persons, at least one of whom must be familiar with insurable replacement costs in the Maricopa County, Arizona, area.

Except as otherwise provided in Section 6.1 with respect to property within a Neighborhood, premiums for all insurance on the Area of Common Responsibility shall be a Common Expense and shall be included in the Base Assessment. However, premiums for insurance on Exclusive Common Areas may be included in the Neighborhood Assessment of the

Neighborhood(s) benefitted unless the Board reasonably determines that other treatment of the premiums is more appropriate.

The policies may contain a reasonable deductible as determined by the Board and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance at least equals the coverage required hereunder. In the event of an insured loss, the deductible shall be treated as a Common Expense or a Neighborhood Expense in the same manner as the premiums for the applicable insurance coverage. However, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with the By-Laws, that the loss is the result of the negligence or willful conduct of one or more Owners, their guests, invitees, or lessees, then the Board may assess the full amount of such deductible against such Owner(s) and their Lots in accordance with Section 9.7.

(a) All insurance coverage shall be written by insurance companies licensed to do business in the State of Arizona and having a rating at A- or better in the financial category as established by A.M. Best's Insurance Reports, The Board may make exceptions to this requirement in the event that coverage is not reasonably available from such a company or if the Board, in its business judgment, elects to obtain insurance through a similarly reputable, but not rated company.

(b) All insurance coverage obtained under Section 6.1 (a) shall:

(i) Be written with a company authorized to do business in the State of Arizona which satisfies the requirements of the Federal National Mortgage Association or such other secondary mortgage market agencies or federal agencies as the Board requires;

(ii) Be written in the name of the Association as trustee for the benefitted parties. Policies on the Common Area shall be for the benefit of the Association and its Members. Insurance coverage secured on behalf of a Neighborhood shall be for the benefit of the Neighborhood Association, if any, the Owners of Lots within the Neighborhood, and their Mortgagees, as their interests may appear;

(iii) Not be brought into contribution with insurance purchased by individual Owners, occupants, or their Mortgagees;

(iv) Include an agreed amount endorsement if the policy contains a co-insurance clause; and

(v) Contain replacement cost coverage.

(c) In addition, the Board shall secure, if reasonably available and as applicable, insurance policies providing the following:

(i) A waiver of subrogation as to any claims against the Association, the Association's Board, officers, employees, and its manager and the Owners;

(ii) A waiver of the insurer's rights to repair and reconstruct instead of paying cash;

(iii) An endorsement preventing the Association's insurance carrier from invoking its "other insurance" clause to obtain any contribution from any insurance maintained by individual Owners;

(iv) An endorsement requiring at least 30 days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal;

(v) A cross liability provision;

(vi) A provision vesting the Board with exclusive authority to adjust losses; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related to the loss; and

(vii) A provision listing the Lot Owners as additional insureds under the policy.

6.3. Owner's Insurance. By virtue of taking title to a Lot, each Owner covenants and agrees with all other Owners and with the Association to carry property insurance for the full insurable replacement cost on all improvements on any Lot owned, less a reasonable deductible, unless either the Association carries such insurance (which they are not obligated to do hereunder) or a Neighborhood Association having jurisdiction over the Lot(s) carries such insurance.

Each Owner further covenants and agrees that in the event of damage to or destruction of the Dwelling Unit or any other structures on or comprising his or her Lot, he or she shall proceed promptly to repair or to reconstruct in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article X of this Declaration. Alternatively, the Owner shall clear the Lot of all debris and ruins and maintain the Lot in a neat, attractive, and landscaped condition consistent with the Community-Wide Standard. The Owner shall pay any costs which are not covered by insurance proceeds.

Additional recorded covenants applicable to any Neighborhood may establish more stringent requirements regarding the standards for rebuilding or reconstructing structures on the Lots within such Neighborhood and the standards for clearing and maintaining the Lots in the event the structures are not rebuilt or reconstructed.

6.4. Damage and Destruction.

(a) Immediately after damage to or destruction of all or any part of the Properties which is covered by insurance written in the name of the Association, the Board or its duly authorized agent shall file and adjust all insurance claims and obtain reliable and detailed estimates of the cost of repair or reconstruction. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the condition in which it existed prior

to the damage, allowing for changes or improvements necessitated by changes in applicable building codes.

(b) Any damage to or destruction of the Common Area shall be repaired or reconstructed unless at least 75% of the total Class "A" Members and the Declarant, as long as the Declarant owns any property described in Exhibit "A" of the Declaration, decide within 60 days after the loss not to repair or reconstruct.

Any damage to or destruction of the common property of any Neighborhood Association shall be repaired or reconstructed unless the Owners representing at least 75% of the total vote of the Neighborhood Association decide within 60 days after the damage or destruction not to repair or reconstruct. If the Neighborhood Association's covenants, if any, require the vote of a greater percentage of Owners within the Neighborhood, then such provision shall control.

If either the insurance proceeds or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not available to the Association within such 60 day period, then the period shall be extended for not more than 60 additional days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to the Common Area or common property of a Neighborhood Association shall be repaired or reconstructed.

(c) If it is determined in the manner described above that the damage to or destruction of the Common Area or the common property of any Neighborhood Association shall not be repaired or reconstructed and no alternative improvements are authorized, the affected property shall be cleared of all debris and ruins and maintained by the Association or the Neighborhood Association, as applicable, in a neat, attractive, and landscaped condition consistent with the Community-Wide Standard.

6.5. Disbursement of Proceeds. Any insurance proceeds remaining after paying the costs of repair or reconstruction, or after such settlement as is necessary and appropriate, shall be retained by and for the benefit of the Association or the Neighborhood Association, as appropriate, and placed in a capital improvements account. This is a covenant for the benefit of Mortgagees and may be enforced by the Mortgagee of any affected Lot.

6.6. Repair and Reconstruction. If insurance proceeds are insufficient to cover the costs of repair or reconstruction, the Board may, without a vote of the Members, levy Benefitted Assessments against those Owners responsible for the premiums for the applicable insurance coverage under Section 6.1.

ARTICLE VII NO PARTITION

Except as permitted in this Declaration, the Common Area shall remain undivided, and no Person shall bring any action for partition of the whole or any part thereof without the written consent of all Owners and Mortgagees.

ARTICLE VIII CONDEMNATION

Whenever any part of the Common Area shall be taken or conveyed under threat of condemnation by any authority having the power of eminent domain, the Board shall determine, in the exercise of its business judgment, whether each Owner shall be entitled to notice thereof. The Board may convey Common Area under threat of condemnation only if approved in writing by at least 67% of the Class "A" Members in the Association.

The award made for such taking shall be payable to the Association as trustee for all Owners to be disbursed as follows:

If the taking involves a portion of the Common Area on which improvements have been constructed, the Association shall restore or replace such improvements on the remaining land included in the Common Area to the extent practicable, unless, within 60 days after such taking at least 67% of the total Class "A" Members in the Association shall otherwise agree. Any such construction shall be in accordance with plans approved by the Board. The provisions of Sections 6.5 and 6.6 regarding funds for the repair of damage or destruction shall apply.

If the taking does not involve any improvements on the Common Area, or if a decision is made not to repair or restore, or if net funds remain after any such restoration or replacement is complete, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board shall determine.

ARTICLE IX ASSESSMENTS

9.1. Creation of Assessments. The Association may levy assessments against each Lot for Association expenses as the Board may specifically authorize from time to time. There shall be five types of assessments for Association expenses: (a) Base Assessments to fund Common Expenses for the general benefit of all Lots; (b) Neighborhood Assessments for Neighborhood Expenses benefiting only Lots within a particular Neighborhood or Neighborhoods; (c) Special Assessments as described in Section 9.6; (d) Benefitted Assessments as described in Section 9.7; and (e) CARE Fees as described in Section 9.13. Each Owner, by accepting a deed or entering into a recorded contract of sale for any portion of the Properties, is deemed to covenant and agree to pay these assessments.

All assessments, together with interest from the due date of such assessment at a rate determined by the Association, late charges, costs, including lien fees and administrative costs, and reasonable attorneys' fees, shall be a charge and continuing lien upon each Lot against which the assessment is levied until paid, as more particularly provided in Section 9.10, and shall be the personal obligation of the Person who was the Owner of such Lot at the time the assessment arose. Upon a transfer of title to a Lot, the grantee shall be jointly and severally personally liable with the grantor for any assessments and other charges accrued at the time of conveyance; provided, no first Mortgagee who obtains title to a Lot by exercising the remedies provided in its Mortgage shall be liable for unpaid assessments which accrued prior to such acquisition of title.

Assessments shall be paid in such manner and by such dates as the Board may establish. Unless the Board otherwise provides, the Base Assessment and any Neighborhood Assessment for each Lot for the next succeeding 12-month period shall be due and payable in advance on the date that the Owner of such Lot first obtains title to the Lot ("closing date") and thereafter on each annual anniversary of the closing date. If the Owner of fee Lot is comprised of more than one Person and such Persons did not obtain title to the Lot on the same date, the Board, in its sole discretion', shall set the due date for payment of assessments for such Lot. The amount of the assessment for each such 12-month period shall be the per Lot assessment established under the budget in effect on the closing date or subject anniversary date, as applicable. If any Owner is delinquent in paying any assessments or other charges levied on his or her Lot, the Board may require any unpaid installments of all outstanding assessments to be paid in full immediately.

The Association shall, upon written request from an Owner, Mortgagee, or other Person designated by the Owner, furnish a certificate, in recordable form, signed by an officer of the Association setting forth whether assessments for such Owner's Lot have been paid and any delinquent amount. Such certificate shall be binding upon the Association, the Board, and the Owners. If the Association fails to provide such certificate within seven business days of its receipt of a request, any lien for unpaid assessments then due shall be extinguished. . The Association may require the advance payment of a reasonable processing fee for the issuance of such certificate.

No Owner may exempt himself or herself from liability for assessments by non-use of Common Area, abandonment of his or her Lot or Dwelling Unit, or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Association or Board to take some action or perform some function required of it or for inconvenience or discomfort arising from repairs or improvements or other action taken by it.

9.2. Declarant's Obligation for Assessments.

(a) Payment of the "Shortage". Until 50% of the Maximum Lots have been conveyed to Class "A" Members, Declarant shall not be obligated to pay assessments on its unsold Lots, but, instead, shall be obligated to pay the "shortage" (i.e., operating deficit) for each fiscal year. A "shortage" shall exist if Income and Revenues (as defined below) for a particular fiscal year are less than Expenditures (as defined below) incurred for the same fiscal year. Income and Revenues and Expenditures are to be calculated using the accrual basis of accounting.

(i) Income and Revenues are: the amount of all income and revenue of any kind earned by the Association during the subject fiscal year, including, but not limited to, assessments, use fees, subsidies (if any) provided by Declarant, and income from all other sources. For purposes of this Section 9.2, assessments for each Lot are deemed earned on the annual anniversary date of the commencement of assessments with respect to such Lot.

(ii) Expenditures are: the amount of all actual operating expenses incurred, or obligated for, by the Association during the subject fiscal year, including without limitation (A) any reserve contributions for such year, and (B) any budgeted or approved non-budgeted capital assets acquired during the fiscal year, but excluding (1) all non-cash expenses such as depreciation or amortization, (2) expenditures for or purchase of non-budgeted, non-approved items, and (3) all expenditures made from reserve funds. For purposes of this paragraph (ii), "approved" shall mean prior written approval of the Declarant.

(iii) Any shortage in a particular fiscal year is to be offset by any surplus from a previous fiscal year. A surplus is achieved when, using an accrual basis of accounting, Income and Revenues for a particular fiscal year exceed Expenditures for the same fiscal year.

(b) Timing of Payment. The shortage payment shall be made after receipt of the annual financial statement audit. Such audit shall be performed by an independent public accounting firm selected by the Board, and, approved by the Declarant. The Declarant shall pay the shortage within 30 days after receipt of the audit report. Payment of the shortage shall exempt the Declarant from payment of Base, Neighborhood, Special, or Benefitted Assessments.

(c) Option to Pay "Shortage". After 50% of the Maximum Lots have been conveyed to Class "A" Members, Declarant may annually elect either to pay assessments on each of its unsold Lots or to pay the shortage for such fiscal year. The Declarant's election may be made separately with respect to Base Assessments and Neighborhood Assessments. If the Declarant elects to pay assessments on each Lot and, after such payment, a shortage exists, Declarant may, but shall not be obligated to, pay such shortage. Unless the Declarant otherwise notifies the Board in writing at least 60 days before the beginning of each fiscal year, the Declarant shall be deemed to have elected to continue paying on the same basis as during the immediately preceding fiscal year.

(d) Subsidies /"In Kind" Contribution. The Association is specifically authorized to enter into subsidy contracts or contracts for "in kind" contribution of services, materials, or a combination of services and materials with the Declarant or other entities for payment of Common Expenses. The Declarant's payment of assessments may be reduced or abated by the agreed value of any such services or materials provided by Declarant, in accordance with any such contract or agreement with the Association.

The Declarant may, but shall not be obligated to, reduce the Base Assessment for any fiscal year by payment of a subsidy (in addition to any other amounts paid under this Section 9.2). Any such subsidy shall be disclosed as a line item in the income portion of the budget. The payment of a subsidy in any year shall not obligate the Declarant to continue payment of such subsidy in future years.

9.3. Computation of Base Assessment. Each year, a budget shall be prepared covering the Common Expenses estimated to be incurred during the coming year. The budget shall include a capital contribution to establish a reserve fund in accordance with a budget separately prepared as provided in Section 9.5.

The Base Assessment shall be levied equally against all Lots subject to assessment. The Base Assessment shall be set at a level which is reasonably expected to produce total income for the Association equal to the total budgeted Common Expenses, including contributions to reserves and Board recommended operating surplus. In determining the level of assessments, the Board, in its discretion, may consider sources of funds available to the Association other than assessments. In addition, the Board may take into account (a) the number of Lots subject to assessment on the first day of the fiscal year for which the budget is prepared; (b) the projected budget for the Association at such time as the Maximum Lots are owned by Class "A" Members; and (c) projected budgets for the Association at other future times in the development of Sun City Grand, based on the number of Lots projected to be subject to assessment at such time.

Not less than 30 days prior to the beginning of the fiscal year, the Board shall notify the Members (a) of the amount of the Base Assessment for the following year, and (b) that the budget is available for examination by Members at the business office of the Association or at another suitable location within Sun City Grand. The Board's notice obligations under this Section shall be satisfied by providing notice in any manner which is reasonably designed to provide notice to the Members. By way of example, the Board may post written notice in one or more prominent places within Sun City Grand and/or publish such information in any newsletter or other publication with community-wide distribution (provided, there shall be no obligation to produce such a publication). If any Member requests a copy of the budget, the Association shall provide one copy to the Member without charge. Such copy shall be delivered personally or by first-class United States Mail within 10 days of such request. The Association may charge a fee for additional copies of the budget, which fee shall not exceed the cost of reproduction and delivery.

The budget shall become effective unless (a) disapproved at a meeting by the vote of at least a majority of the Class "A" Members and (b) disapproved by the Class "B" Member, if any. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Class "A" Members requesting that such a special meeting be held, as provided in the By-Laws. Such petition must be presented to the Board within 10 days of posting or publishing of notice of the availability of the budget for examination or, if notice is otherwise provided, within 10 days of delivery of the notice (as defined in the By-Laws with respect to notice of meetings). If the proposed budget is disapproved, or the Board fails for any reason to determine the budget for any year, then and until such time as a budget shall have been determined, the budget in effect for the immediately preceding year shall continue for the current year.

9.4. Computation of Neighborhood Assessments. Each year, a separate budget shall be prepared by the Association for each Neighborhood covering the estimated Neighborhood Expenses, if any, expected to be incurred on behalf of such Neighborhood during the coming year. The Board shall be entitled to adopt such budget only to the extent that (a) this Declaration, any Supplemental Declaration, or the By-Laws specifically authorizes the Board to assess certain costs as a Neighborhood Assessment, or (b) the Association expects to incur expenses to provide additional services for a Neighborhood. Any Neighborhood may request that additional services or an increased level of services be provided by the Association, and in such case, if the

Association agrees to provide, such services, any additional costs shall be added to such budget. The Association may charge a reasonable administrative fee for the preparation and administration of the budget in connection with any Neighborhood. Such budget shall include a reserve contribution establishing a fund for repair and replacement of capital items maintained as a Neighborhood Expense, if any, within the Neighborhood.

Neighborhood Expenses shall be levied as a Neighborhood Assessment against all Lots within the benefitted Neighborhood and shall be allocated equally among those Lots. If specified in the Supplemental Declaration applicable to such Neighborhood or if directed by a petition signed by a majority of the Owners within the Neighborhood, any portion of the assessment intended for exterior maintenance of Dwelling Units or other structures, insurance on Dwelling Units or other structures, or replacement reserves which pertain to particular structures shall be levied on each of the benefitted Lots in proportion to the benefit received. Such proportion shall be specified in the Supplemental Declaration applicable to such Neighborhood, or if not so specified; shall be approved by a majority of the Owners within the Neighborhood, and Declarant, as long as Declarant owns any property within such Neighborhood.

The Board shall make reasonably available for examination by all Owners of Lots within me particular Neighborhood a copy of such budget and notice of the amount of the Neighborhood Assessment for the coming year, in the same manner as provided for the Common Expense budget discussed in Section 9.3 above. The budget relating to any Neighborhood shall become effective unless disapproved at a meeting by at least a majority of the Class "A" Members owning Lots within such Neighborhood and the Class "B" Member, if any, if the Class "B" Member is the owner of any Lots in such Neighborhood. There shall be no obligation to call a meeting for the purposes of considering the Neighborhood budget except on petition of Class "A" Members representing at least 10% of the votes in such Neighborhood.

The right to disapprove shall apply only to those line items in the Neighborhood budget which are attributable to future services requested by the Neighborhood. In the event any line item in a Neighborhood budget is disapproved, the Association shall not be obligated to provide the services anticipated to be funded by such line item of the budget, and the budget shall be revised to delete such line item. In the event the Board fails for any reason to adopt the Neighborhood budget for any year, then and until such time as such budget shall have been adopted, the Neighborhood budget in effect for the immediately preceding year shall continue for the current year.

9.5 Capital Expenditures Budget and Reserve Funds. On an annual basis, capital expenditures budgets shall be prepared by the Association for both general and Neighborhood purposes, which take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost of each asset. Such capital expenditures budgets may also anticipate making additional capital improvements and purchasing additional capital assets. Base Assessments and Neighborhood Assessments shall include capital expenditures contributions in amounts sufficient to meet these projected needs which contributions shall be held in a reserve fund for such purposes. The capital expenditures budgets shall be made reasonably available for examination by the Members in the manner provided for the Common Expense budget discussed in Section 9.3 above.

The Board may adopt resolutions regarding the expenditure of reserve funds, including policies designating the nature of assets for which reserve funds may be expended. Such policies may differ for general Association purposes and for each Neighborhood. So long as the Declarant owns any property described in Exhibit "A." neither the Association nor the Board shall adopt, modify, limit or expand such policies without the Declarant's prior written consent

9.6. Special Assessments. In addition to other authorized assessments, the Association may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted subject to the limitations set forth in Section 9.8. Such Special Assessment may be levied against the entire membership, if for Common Expenses, or against the Lots within any Neighborhood, if for Neighborhood Expenses. Special Assessments shall be payable in such manner and at such times as determined by the Board and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved.

9.7. Benefitted Assessments. The Board may levy Benefitted Assessments against particular Lots for expenses incurred or to be incurred by the Association, as follows:

(a) to cover the costs, including overhead and administrative costs, of providing benefits, items, or services to the Lot or occupants thereof upon request of the Owner pursuant to a menu of special services which the Board may from time to time authorize to be offered to Owners (which might include, without limitation, landscape maintenance, caretaker service, etc.), which assessments may be levied in advance of the provision of the requested benefit, item, or service as a deposit against charges to be incurred by the Owner; and

(b) to cover costs incurred in bringing the Lot into compliance with the terms of this Declaration, any applicable Supplemental Declaration, the By-Laws, the Design Guidelines, or rules of the Association, or costs incurred as a consequence of the conduct of the Owner or occupants of the Lot, their licensees, invitees, or guests; provided, the Board shall give the Lot Owner prior written notice and an opportunity for a hearing before levying a Benefitted Assessment under this subsection (b).

The Association may also levy a Benefitted Assessment against the Lots within a Neighborhood to reimburse the Association for costs incurred in bringing the Neighborhood into compliance with the provisions of the Declaration, any applicable Supplemental Declaration, the Articles, the By-Laws, the Design Guidelines, and rules of the Association, provided the Board gives the Members in such Neighborhood prior written notice and an opportunity to be heard before levying any such assessment.

9.8. Limitation on Increases of Assessments. Notwithstanding any provision to the contrary, and except for assessment increases necessary for emergency situations or to reimburse the Association pursuant to Section 9.7, the Board may not impose a Base Assessment, Neighborhood Assessment, or Benefitted Assessment that is more than 15% greater than subject type of assessment for the immediately preceding fiscal year, nor impose a Special Assessment which in the aggregate exceeds 5% of the budgeted Common Expenses or Neighborhood

Expenses, as the case may be, for the current fiscal year, without a vote approving such increase by a majority of the Members who own the Lots which are subject to the applicable assessment.

In addition, the term "Base Assessment" or Neighborhood Assessment" shall be deemed to include the amount assessed against each Lot plus a pro rata allocation of any amounts the Association received through any subsidy or maintenance agreement, if any, in effect for the year immediately preceding the year for which the assessment is to be increased .

An emergency situation is any one of the following:

- (a) an extraordinary expense required by an order of a court;
- (b) an extraordinary expense necessary to repair or maintain the Properties or any part of them for which the Association is responsible where a threat to personal safety on the Properties is discovered; or
- (c) an extraordinary expense necessary to repair or maintain the Properties or any part of them for which the Association is responsible which could not have been reasonably foreseen by the Board in preparing and distributing the pro forma budget pursuant to Section 9.3. However, prior to the imposition or collection of such an assessment, the Board shall pass a resolution containing written findings as to the necessity of the extraordinary expense involved and why the expense was not or could not have been reasonably foreseen in the budgeting process. Notice of such resolution shall be provided to the Members along with the notice of such assessment.

9.9. Date of Commencement of Assessments. Subject to Section 9.2, the obligation to pay the assessments provided for herein shall commence as to any Lot on the first day of the month following (a) the date the Lot is made subject to this Declaration, or (b) the date the Board first determines a budget and levies assessments pursuant to this Article, whichever is later.

9.10. Lien for Assessments. All assessments and other charges of the Association authorized in this Article or elsewhere in this Declaration shall constitute a lien against the Lot against which they are levied from the time such assessments or charges become delinquent until paid. The lien shall also secure payment of interest (subject to the limitations of Arizona law), late charges (subject to the limitations of Arizona law), and costs of collection (including attorneys' fees, lien fees and administrative costs). Such lien shall be superior to all other liens, except those deemed by Arizona law to be superior. The lien created by this Article shall have priority over any lien for assessments asserted by any other community or property owners association, including, without limitation, any Neighborhood Association. The Association may enforce such lien, when any assessment or other charge is delinquent, by suit, judgment, and foreclosure; provided, if enforcement proceedings are not instituted within one year after the full amount of the assessment or other charge becomes due, the lien (but not the personal obligation of the subject Owner) shall be deemed extinguished.

The Association may bid for the Lot at the foreclosure sale and acquire, hold, lease, mortgage, and convey the Lot. While a Lot is owned by the Association following foreclosure:

(a) no right to vote shall be exercised on its behalf; (b) no assessment shall be levied on it; and (c) each other Lot shall be charged, in addition to its usual assessment, its equal pro rata share of the assessment that would have been charged such Lot had it not been acquired by the Association. The Association may sue for unpaid Common Expenses and costs without foreclosing or waiving the lien securing the same.

The sale or transfer of any Lot shall not affect the assessment lien or relieve such Lot from the lien for any subsequent assessments. However, the sale or transfer of any Lot pursuant to foreclosure of the first Mortgage shall extinguish the lien as to any assessment installments accrued prior to such foreclosure. The subsequent Owner of the foreclosed Lot shall not be personally liable for assessments on such Lot which accrued prior to such acquisition of title.

9.11. Failure to Assess. Failure of the Board to fix assessment amounts or rates or to deliver or mail each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay Base Assessments and Neighborhood Assessments on the same basis as for the last year for which an assessment was made, if any, until a new assessment is made, at which time the Association may retroactively assess any shortfalls in collections.

9.12. Exempt Property. The following property shall be exempt from payment of Base Assessments, Neighborhood Assessments, and Special Assessments:

- (a) all Common Area;
- (b) all property dedicated to and accepted by any governmental authority or public utility; and
- (c) all property owned and maintained by a Neighborhood Association (or by the members of a Neighborhood Association as tenants-in-common) exclusively for the common use and enjoyment of its members.

9.13. CARE Fee. Except as set forth below, all Owners of Lots who acquire their Lots from an Owner shall pay a Community and Resident Enhancement Fee ("CARE Fee") at the time of voluntary conveyance of ownership rights in the Lot. The CARE Fee shall be secured by the lien for assessments as set forth in Section 9.10 and shall burden the Lot after conveyance of ownership rights in the Lot. The Owner of the Lot after the conveyance of ownership rights in the Lot shall also be personally obligated to pay the CARE Fee. Unless otherwise directed by the transferor [the seller] and transferee [the buyer] of a Lot, the Association shall collect the CARE Fee owed by the transferee through the close of escrow if the Association is notified of the conveyance and if a title company is used to facilitate a particular conveyance of a Lot. The transferor and transferee may allocate the payment of the CARE Fee through the escrow process between the transferor and transferee in any manner. The failure of the Association to be notified of a conveyance shall not affect the obligation of the new Owner to pay the entire CARE Fee and shall not impact the lien against the Lot for the CARE Fee.

No CARE Fee shall be payable with respect to: (a) the transfer or conveyance of a Lot by devise or intestate succession; (b) a transfer or conveyance of a Lot for estate planning purposes; or (c) a transfer or conveyance to a corporation, partnership or other entity in which the grantor owns a majority interest unless the Board determines, in its sole discretion, that a material purpose of the transfer or conveyance was to avoid payment for the CARE Fee, in which event a CARE Fee shall be payable with respect to such transfer or conveyance.

Each Member of the Association who owns a Lot on January 1, 2008, qualifies for a one-time exemption should the Member obtain ownership of another Lot in Sun City Grand and if an exemption has not been previously exercised. A Member may exercise this one-time exemption if evidence of a purchase contract for another Lot within Sun City Grand is provided to the Association's office within 90 days of the closing date of their Dwelling Unit.

Any and all CARE Fees collected shall not be used to pay for operating expenses. Rather, the CARE Fees shall be used only for funding community development and enhancements, developing new community facilities, and enhancing and expanding existing community facilities and programs.

Effective January 1, 2008, the CARE Fee shall be an amount equal to the Base Assessment in effect at the time of closing of escrow or conveyance, (Clarification -Base Assessment is legal term for annual dues).

This Article shall not apply to the activities of the Declarant but shall apply to any and all improvements to the Common Area by or on behalf of the Association. Nothing contained herein or in any other provision of any of the Governing Documents shall be construed to prevent the erection or maintenance by Declarant or its duly authorized agents of structures, improvements,

flags, banners, signs, or any other object or thing necessary or convenient to the development or sale of the Properties.

This Article may not be amended without the Declarant's written consent so long as the Declarant owns any land subject to this Declaration.

10.2. Architectural and Design Review.

(a) New Construction. Until 100% of the Maximum Lots have been developed and conveyed to Class "A" Members, the Declarant shall have exclusive authority to administer and enforce architectural controls and to review and act upon all applications for original construction within the Properties. There shall be no surrender of this right prior to that time except in a written instrument in recordable form executed by Declarant. Declarant may assign its rights hereunder in whole or in part, at any time, to the Architectural Review Committee ("ARC")."

(b) Architectural Review Committee: Modifications. The ARC shall have exclusive jurisdiction (subject to the Declarant's veto right described below) over modifications, additions, or alterations made on or to existing structures or on or to Lots containing Dwelling Units (including, without limitation, the initial landscaping on a Lot), the adjacent open space, and Common Area; provided, however, any change to the Common Area shall require the approval of the Declarant as long as it owns any property described in Exhibit "A".

The ARC shall have exclusive jurisdiction over modifications, additions, or alterations made on or to existing structures or on or to Lots containing Dwelling Units (including, without limitation, the initial landscaping on a Lot), the adjacent open space, and Common Area; provided, however, any change to the Common Area shall require the approval of the Declarant as long as it owns any property described in Exhibit "A." Subject to the Declarant's rights under Section 10.2(a) above, the ARC also may be assigned jurisdiction over original construction within the Properties. As long as Declarant owns any property described in Exhibit "A." the ARC shall notify the Declarant of any action taken under this Article XI. During such time, the Declarant shall have the right in its sole and absolute discretion, to veto any action taken by the ARC; provided, the Declarant's right to veto must be exercised within 30 days of its receipt of notice of action taken by the ARC. The party submitting the Plans for approval shall not be notified of the ARC's approval or disapproval until after Declarant's right to veto has been exercised or has expired. Actions of the ARC cannot be appealed to the Board, and are not subject to review of the Board on its own initiative so long as the ARC has not exceeded the authority expressly granted to it in the Governing Documents.

The Board, with the approval of the Declarant for so long as the Declarant owns any property described in Exhibit "A." may create and appoint such subcommittees of the ARC as deemed appropriate. Such subcommittees may be established to preside over particular areas of review (e.g., landscape plans) and shall be governed by such procedures as may be established by the ARC or the Board. Any action of any ARC subcommittee shall be subject to the review and approval of the ARC on its own initiative (and of the Declarant on its own initiative, for as long as the Declarant owns any property described in Exhibit "A." An Owner who has submitted

Plans for approval may appeal an action of an ARC subcommittee to the ARC (but not to the Board or Declarant) by delivering written notice thereof to the ARC within 10 days after the date on which the Owner receives notice that such action has been taken on its application. The actions of an ARC subcommittee are not subject to review of the Board on its own initiative so long as the subcommittee has not exceeded the authority granted to the ARC in the Governing Documents. Notwithstanding the above, neither the ARC nor the Declarant shall be obligated to review all actions of any subcommittees and the failure to take action in any instance shall not be a waiver of the right of the ARC or the Declarant to act in the future.

For purposes of this Article, "Reviewing Body" shall refer to either the Declarant, the ARC, or any subcommittee of the ARC, as appropriate under the circumstances. The Reviewing Body may establish and charge reasonable fees for review of applications hereunder and may require such fees to be paid in full prior to review of any application. Such fees may include the reasonable costs incurred in having any application reviewed by architects, engineers or other professionals. The Declarant and the Association may employ architects, engineers, or other persons as deemed necessary to perform the review. The Board may include the compensation of such persons in the Association's annual operating budget as a Common Expense.

10.3. Guidelines and Procedures. The Declarant shall prepare Design Guidelines which shall apply to all construction activities within the Properties, except as provided in Section 10.1. The Declarant shall have sole and full authority to supplement and amend the Design Guidelines as long as it owns property described in Exhibit "A." The Design Guidelines may contain general provisions applicable to all of the Properties, as well as specific provisions which vary from one portion of the Properties to another depending upon location, unique characteristics, intended use, the Master Plans, and any other applicable zoning ordinances. The Design Guidelines are intended to provide guidance to Owners and Builders regarding matters of particular concern in considering applications hereunder. The Design Guidelines shall not be the exclusive basis for decisions of the Reviewing Body and compliance with the Design Guidelines shall not guarantee approval of any application.

Any amendments to the Design Guidelines shall apply to construction and modifications commenced after the date of such amendment only and shall not apply to require modifications to or removal of structures previously approved once the approved construction or modification has commenced. There shall be no limitation on the scope of amendments to the Design Guidelines. The Design Guidelines may be amended to remove requirements previously imposed or otherwise to make the Design Guidelines less restrictive.

All structures and improvements constructed upon a Lot shall be constructed in strict compliance with the Design Guidelines in effect at the time the plans for such improvements are submitted to and approved by the Reviewing Body, unless the Reviewing Body has granted a variance in writing pursuant to Section 10.6, So long as the Reviewing Body has acted in good faith, and subject to the Declarant's veto power and the review and approval rights of the ARC and the Declarant described in Section 10.2, the Reviewing Body's findings and conclusions with

respect to appropriateness of, applicability of, or compliance with the Design Guidelines and this Declaration shall be final and binding.

The Association shall make the Design Guidelines available to Owners and Builders who seek to engage in development or construction within the Properties and all such Persons shall conduct their activities in accordance with such Design Guidelines.

10.4. Submission of Plans and Specifications.

(a) Prior to commencing any activity within the scope of Section 10.1, an Owner shall submit an application for approval of the proposed work to the appropriate Reviewing Body. Such application shall be in the form required by the Reviewing Body and shall include such information as required under the Design Guidelines, such as Plans showing site layout, structural design, exterior elevations, exterior materials and colors, signs, landscaping, drainage, lighting, irrigation, utility facilities layout and screening therefor, and other features of proposed construction, as applicable. The Design Guidelines shall set forth the procedure and any additional information for submission of the Plans. Before the Owner may begin the proposed activity, the application must be approved by the Reviewing Body (and Declarant's veto rights set forth in Section 10.2 exercised or expired) in accordance with the procedures described below.

(b) In reviewing each submission, the Reviewing Body may consider quality of workmanship and design, visual and environmental impact, ecological compatibility, natural platforms and finish grade elevation, harmony of external design with surrounding structures and environment, and location in relation to surrounding structures and plant life. The Reviewing Body may require relocation of native plants within the construction site, the installation of an irrigation system for the landscaping, or the inclusion of natural plant life on the Lot as a condition of approval of any submission.

Approval by the Reviewing Body shall not constitute approval of or waiver of approvals or reviews required by the City of Surprise, Arizona, or any other governmental agency or entity having jurisdiction over architectural or construction matters. The Reviewing Body shall not require permits or other approvals by local government entities other than those issued by such entities in the usual course of business.

The Reviewing Body shall, within the period specified in the Design Guidelines, advise the party submitting the Plans, in writing, at an address specified by such party at the time of submission, of (i) the approval of Plans, or (ii) the segments or features of the Plans which are deemed by the Reviewing Body to be inconsistent or not in conformity with this Declaration and/or the Design Guidelines, the reasons for such finding, and suggestions, if appropriate, for the curing of such objections. In the event the Reviewing Body fails to advise the submitting party by written notice within the period specified in the Design Guidelines of either the approval or disapproval and suggestions for curing the objections of the committee of the Plans, approval shall be deemed to have been given. Notice (for purposes of this Section 10.4(b) only) shall be deemed to have been given at the time the envelope containing such notice, properly addressed, and postage prepaid, is deposited with the U.S. Postal Service. Personal delivery of

such written notice shall, however, be sufficient and shall be deemed to have been given at the time of delivery to the submitting party.

(c) The Reviewing Body, as part of the Plan approval, may require that construction in accordance with approved Plans be commenced within a specified time period. In such event, if construction does not commence in a timely manner, then such approval shall be deemed withdrawn, and it shall be necessary for the Owner to resubmit the Plans to the Reviewing Body for reconsideration. If construction is not completed on a project for which Plans have been approved within the period, if any, set forth in the Design Guidelines or in the approval, such approval shall be deemed withdrawn, and such incomplete construction shall be deemed to be in violation of this Article.

10.5. No Waiver of Future Approvals. Each Owner acknowledges that the members of the Reviewing Body will change from time to time and that interpretation, application and enforcement of the Design Guidelines may vary accordingly. Approval of proposals, plans and specifications, or drawings for any work done or proposed, or in connection with any other matter requiring approval, shall not be deemed to constitute a waiver of the right to withhold approval as to any similar proposals, plans and specifications, drawings, or other matters subsequently or additionally submitted for approval.

10.6. Variance. The Reviewing Body may authorize variances in writing from its guidelines and procedures, but only: (a) in accordance with duly adopted rules and regulations, (b) when unique circumstances dictate, such as unusual topography, natural obstructions, hardship or aesthetic or environmental considerations, and (c) when construction in accordance with the variance would be consistent with the purposes of the Declaration and compatible with existing and anticipated uses of adjoining properties. Inability to obtain, or the terms of any governmental approval, or the terms of any financing shall not be considered a hardship warranting a variance. Notwithstanding the above, the ARC may not authorize variances without the written consent of the Declarant, as long as it owns any portion of the Properties.

10.7. Limitation of Liability. Review and approval of any application pursuant to this Article is made on the basis of aesthetic considerations only and neither the Declarant, the Association, its officers, the Board, the ARC, the Association's management agent, or any member of the foregoing, shall bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes and other governmental requirements. Neither the Declarant, the Association, its officers, the Board, the ARC, the Association's management agent, or member of any of the foregoing shall be held liable for any injury, damages, or loss arising out of the manner or quality of approved construction or modifications to any Lot. In all matters, the ARC and its members shall be defended and indemnified by the Association as provided in the By-Laws.

10.8. Enforcement. Any construction, alteration or other work done in violation of this Article or the Design Guidelines shall be deemed to be nonconforming. Upon written request from the Association, Owners shall, at their own cost and expense and within such reasonable time frame as set forth in such written notice, cure such nonconformance to the satisfaction of the Association or restore the property, Lot and/or Dwelling Unit to substantially the same

condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore as required, the Association or its designees shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as previously existed. All costs, together with the interest at the rate established by the Board (not to exceed the maximum rate then allowed by law), may be assessed against the benefitted Lot and collected as a Benefitted Assessment unless otherwise prohibited in this Declaration.

All approvals granted hereunder shall be deemed conditioned upon completion of all elements of the approved work and all work previously approved with respect to the same Lot, unless approval to modify any application has been obtained. In the event that any Person fails to commence and diligently pursue to completion all approved work by the deadline set forth in the approval, the Association shall be authorized, after notice to the Owner of the Lot and an opportunity to be heard in accordance with the By-Laws,, to enter upon the Lot and remove or complete any incomplete work and to assess all costs incurred against the Lot and the Owner thereof as a Benefitted Assessment unless otherwise prohibited in this Declaration.

All acts by any contractor, subcontractor, agent, employee, or invitee of an Owner shall be deemed as an act done by or on behalf of such Owner. Any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Article and the Design Guidelines may be excluded from the Properties, subject to the notice and hearing procedures contained in the By-Laws. In such event, neither the Declarant, the Association, its officers, or directors shall be held liable to any Person for exercising the rights granted by this paragraph.

The Association shall be primarily responsible for enforcement of this Article X. If, however, in the discretion of the Declarant, the Association fails to take appropriate enforcement action, as authorized herein, within a reasonable time period, the Declarant, for so long as it owns any property described in Exhibit "A" to this Declaration, may, but shall not be obligated to, exercise enforcement rights in the same manner as set forth above. In addition to the foregoing, the Association and the Declarant shall have the authority and standing to pursue all legal and equitable remedies available to enforce the provisions of this Article and the decisions of the Reviewing Body.

10.9. Architectural Review Over Adjacent Properties. The Declarant, in its discretion, may assign to the ARC responsibility for reviewing plans for proposed construction or modifications on properties adjacent to or in the vicinity of Sun City Grand which are subject to restrictive covenants imposed by the Declarant. In such event, the ARC may charge reasonable fees for review and shall conduct any such review pursuant to any relevant provisions of such restrictive covenants and any design guidelines pertaining to the subject properties. The ARC shall have no authority over construction or modifications on such properties unless and until designated by the Declarant in writing. 12.4. Easements for Cross-Drainage. Every Lot and the Common Area shall be burdened with easements for natural drainage of storm water runoff from other portions of the Properties; provided, no Person shall alter the natural drainage on any Lot to increase materially the drainage of storm water onto adjacent portions of the Properties without the consent of the Owner(s) of the affected property, the Board, and the Declarant as long as it owns any property described in Exhibit "A" to the Declaration.

12.5. Right of Entry. The Association shall have the right, but not the obligation, and a perpetual easement is hereby granted to the Association, to enter all portions of the Properties, including each Lot and Dwelling Unit, for emergency, security, and safety reasons. Such right may be exercised by the authorized agents of the Association, its Board, officers, or committees, and by all police officers, fire fighters, ambulance personnel, and similar emergency personnel in the performance of their duties. Except in emergencies, entry into a Dwelling Unit shall be only during reasonable hours and after notice to and permission from the Owner thereof. This easement includes the right to enter any Lot or Dwelling Unit to cure any condition which increases the risk of fire or other hazard if an Owner fails or refuses to cure the condition within a reasonable time after request by the Board, but does not authorize entry into any Dwelling Unit without permission of the Owner, except by emergency personnel acting in their official capacities.

12.6. Easements for Maintenance and Enforcement. Authorized agents of the Association shall have the right, and a perpetual easement is hereby granted to the Association, to enter all portions of the Properties, including each Lot or Dwelling Unit to (a) perform its maintenance responsibilities under Article V, and (b) make inspections to ensure compliance with this Declaration, any Supplemental Declaration, By-Laws, and rules. Except in emergencies, entry into a Dwelling Unit shall be only during reasonable hours and after notice to and permission from the Owner. This easement shall be exercised with a minimum of

interference to the quiet enjoyment to Owners' property, and any damage shall be repaired by the Association at its expense.

The Association also may enter a Lot to abate or remove, using such measures as may be reasonably necessary, any structure, thing or condition which violates the Declaration, any Supplemental Declaration, the By-Laws, the Design Guidelines, or the rules. All costs incurred, including reasonable attorneys' fees, shall be assessed against the violator as a Benefitted Assessment

12.7. Rights to Surface Water, Groundwater, Stormwater Runoff, Effluent and Water Stored Underground. Declarant hereby reserves for itself and its designees all rights to surface water which are appurtenant to the Properties, all of which surface water rights are to be consolidated by Declarant for use on golf courses to be constructed within the Properties and for storage in underground storage facilities to be located within the Properties. Declarant further reserves for itself and its designees all rights to groundwater, stormwater runoff, effluent, and water stored in all underground storage facilities located or produced within the Properties. Each Owner agrees, by acceptance of a deed to a Lot, that Declarant shall retain all such rights. Such rights shall include an easement over the Properties for access, and for installation and maintenance of facilities and equipment to capture and transport such water, runoff, and effluent. This Section 12.8 may not be amended without the consent of the Declarant and the reservations made and rights created pursuant to this Section 13.8 shall survive the termination of this Declaration. Neither the Declarant nor any Owner shall be deemed by this reservation, or the consolidation of water rights to be made pursuant to this reservation, to abandon any right to water which is appurtenant to or which may be exercised in connection with the Properties.

12.8. Easements for Lake and Pond Maintenance and Flood Water. Declarant reserves for itself, the Association, and their designees, the nonexclusive right and easement, but not the obligation, to enter upon the lakes, ponds, streams, and wetlands located within the Area of Common Responsibility to (a) construct, maintain, and repair pumps in order to provide water for the irrigation of any of the Area of Common Responsibility; (b) construct, maintain, and repair any bulkhead, wall, dam, or other structure retaining water; and (c) remove trash and other debris therefrom and fulfill their maintenance responsibilities as provided in this Declaration. Declarant, the Association, and their designees shall have an access easement over and across any of the Properties abutting or containing any portion of any of the lakes, ponds, streams, or wetlands to the extent reasonably necessary to exercise their rights under this Section.

There is further reserved herein for the benefit of Declarant, the Association, and their designees, a perpetual, nonexclusive right and easement of access and encroachment over the Common Area and Lots (but not the Dwelling Units thereon) adjacent to or within one hundred feet of lake beds, ponds, streams and wetlands within the Properties, in order to (a) temporarily flood and back water upon and maintain water over such portions of the Properties; (b) fill, drain, dredge, deepen, clean, fertilize, dye, and generally maintain the lakes, ponds, streams, and wetlands within the Area of Common Responsibility subject to the approval of all appropriate regulatory bodies; (c) maintain and landscape the slopes and banks pertaining to such lakes, ponds, streams, and wetlands; and (d) enter upon and across such portions of the Properties for the purpose of exercising their rights under this Section. All Persons entitled to exercise these

easements shall use reasonable care in, and repair any damage resulting from the intentional exercise of the rights granted under such easements. Nothing herein shall be construed to make Declarant or any other Person liable for damage resulting from flooding due to heavy rainfall or other natural occurrences.

ARTICLE XIII MORTGAGEE PROVISIONS

The following provisions are for the benefit of holders, insurers and guarantors of first Mortgage on Lots in the Properties. The provisions of this Article apply to both this Declaration and to the By-Laws, notwithstanding any other provisions contained therein.

13.1. Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage who provides written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the street address of the Lot to which its Mortgage relates), thereby becoming an "Eligible Holder," will be entitled to timely written notice of:

(c) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

13.2. No Priority. No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Lot in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

13.3. Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Lot.

13.4. Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within 30 days

ARTICLE XIV DECLARANTS RIGHTS

14.1. General. In the event of a conflict between any special right given to Declarant under this Declaration and any other provision of this Declaration, the provision granting such right to the Declarant shall control. Any or all of the special rights and obligations of the Declarant set forth in this Declaration or the By-Laws may be transferred to other Persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that contained in this Declaration or the By-Laws. In addition, any or all of the special rights of the Declarant set forth in this Declaration or the By-Laws, including but not limited to the right to withhold consent to any action of the Association or the Members, may be voluntarily relinquished at any time. No such transfer or voluntary relinquishment shall be effective unless it is in a written instrument signed by the Declarant and duly recorded in the Office of the County Recorder.

Any Person that acquires any interest in the Properties acknowledges awareness that Sun City Grand is a master planned and age-restricted community, the development of which is likely to extend over many years and recognizes that protesting or otherwise objecting to (a) lawful zoning or changes in zoning or to uses of, or changes in density of the Properties that are consistent with the Declaration (other than within said Owner's or other Person's Neighborhood), or (b) changes in any conceptual or master plan for the Properties, including, but not limited to, the Master Plans (other than within said Owner's or other Person's Neighborhood) is not in the collective best interest of the Owners.

The Declarant and its employees, agents, and designees shall have a right and easement over and upon all of the Common Area for the purpose of making, constructing, installing, modifying, expanding, replacing, and removing such improvements to the Common Area as it deems appropriate in its sole discretion as long as the Declarant owns any property described in Exhibit "A."

14.4. Models and Sales Offices. So long as construction and sales of Lots by the Declarant and Builders authorized by Declarant shall continue, the Declarant may maintain and carry on upon the Common Area and any property owned by the Declarant or a Builder, as applicable, such facilities and activities as, in the sole opinion of the Declarant, may be reasonably required, convenient, or incidental to the construction or sale of Lots, including, but not limited to, business offices, signs, flags, model units, marketing trails, sales offices, parking, and storage of building materials and equipment. So long as the Declarant is engaged in the marketing and sales of Lots, it shall have the right to reserve parking spaces on the Common Area for the benefit and use of prospective purchasers, Declarant's employees, and others engaged in sales, leasing, maintenance, or management activities. The Declarant and authorized Builders shall have easements for access to and use of such facilities and for performing such activities. The Declarant's or Builder's unilateral right to use the Common Area for purposes stated in this paragraph shall not be exclusive and shall not unreasonably interfere with use of

such Common Area by Owners unless leased pursuant to a lease agreement with the Association providing for payment of reasonable rent

14.5. Equal Treatment. So long as the Declarant owns any property described in Exhibit "A." neither the Association nor any Neighborhood Association shall, without the prior written consent of the Declarant, adopt any policy, rule, or procedure that:

(a) limits the access of the Declarant, its affiliates or their personnel, and/or guests, including visitors, to the Common Area or to any property owned by any of them;

(b) limits or prevents the Declarant, its affiliates or their personnel from advertising, marketing, or using the Association or the Common Area or any property owned by any of them in promotional materials;

(e) impacts the ability of the Declarant or its affiliates to carry out to completion its development plans and related construction activities for Sun City Grand, as such plans are expressed in the Master Plans, as such may be amended and updated from time to time. Policies, rules, or procedures affecting existing easements established by the Declarant and limiting the establishment by the Declarant of easements necessary to complete Sun City Grand shall be expressly included in this provision. Easements that may be established by the Declarant shall include, but shall not be limited to, easements for development, construction, and landscaping activities and utilities; or

(f) impacts the ability of the Declarant or its affiliates to develop and conduct customer service programs and activities in a customary and reasonable manner.

Neither the Association nor any Neighborhood Association shall exercise its authority over the Common Area to interfere with the rights of the Declarant set forth in this Declaration or to impede access to any portion of the Properties over the streets and other Common Area within the Properties.

14.6. Public Streets. All streets within the Properties shall be public unless made private as provided herein. The Board, with the consent of the Declarant for so long as the Declarant owns any of the property described in Exhibit "A." may take action to convert any street within

the Properties to a private street. In such event, the private street shall be (a) a part of the Common Area to be maintained by the Association and paid for by all Owners as a Common Expense; or (b) Exclusive Common Area of a Neighborhood or Neighborhoods to be maintained by the Association or a Neighborhood Association and paid for by the Owners of Lots within the subject Neighborhood[^]) as a Neighborhood Expense. The option to convert to private streets may be exercised throughout the Properties or on a Neighborhood by Neighborhood basis, in the discretion of the Board. Notwithstanding the above, the conversion of any street to a private street shall require the approval of a majority of affected Owners if such conversion would result in an increase in the Base or Neighborhood Assessment owed by such Owners in excess of 15% of such assessment charged in the previous fiscal year.

The Association shall not erect any gate across any street which limits access to the Properties without the prior written consent of the Declarant, as long as it owns any property described in Exhibit "A." Such consent shall be given only in accordance with any Development Agreements.

14.7. Right to Use Common Area for Special Events. As long as the Declarant owns any property described in Exhibit "A." the Declarant shall have the right to use all or any portion of the Common Area, including any golf courses or other recreational facilities, to sponsor special events for charitable, philanthropic, political, or marketing purposes as determined by the Declarant in its sole discretion. Any such event shall be subject to the following conditions:

(a) the availability of the facilities at the time a request is submitted to the Association;

(b) the Declarant shall pay all costs and expenses incurred and shall indemnify the Association against any loss or damage resulting from the special event; and

(c) the Declarant shall return the facilities and personal property owned by the Association and used in conjunction with the special event to the Association in the same-condition as existed prior to the special event

The Declarant shall have the right to assign the rights contained in this Section 14.7 to charitable organizations or foundations selected by the Declarant. The Declarant's right to use the Common Area for special events shall be enforceable by injunction, by any other remedy in law or equity, and by the terms of this Declaration.

In addition, as long as Declarant owns any property described in Exhibit "A" the Declarant shall have the right to exclusive use, without charge, of any portion of any clubhouse or other recreational facilities within the Common Area on a short-term basis for employee meetings, administrative purposes, special events, or any other purpose, subject to the following:

(d) the availability of the facilities at the time a request is submitted by Declarant to the Association;

(e) the Declarant shall indemnify the Association against any loss or damage resulting from Declarant's use thereof; and

(f) the Declarant shall return the facilities to the Association in* the same condition as existed prior to Declarant's use thereof.

The foregoing right of Declarant shall be enforceable by injunction, by any other remedy in law or equity, and/or by any other means provided in this Declaration.

14.8. Use of Common Area by Declarant's Employees. Until termination of the Class "B" Control Period, the Declarant reserves the right to allow its employees to use any of the recreational facilities or other Common Area in the normal course of such facilities' operations.

14.9. Other Covenants. As long as Declarant owns any of the property described in Exhibit "A." no Person shall record any declaration of covenants, conditions, and restrictions, or declaration of condominium or similar instrument affecting any portion of the Properties without Declarant's review and written consent. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by recorded consent signed by the Declarant. The Declarant reserves the right to enter into Covenants to Share Costs on behalf of the Association and to impose deed restrictions and covenants on property within 25 miles of Sun City Grand with the consent of the owner of such property. The Declarant, in its discretion, may require the Association to enforce any such deed restrictions or covenants in a manner consistent with the By-Laws and in accordance with the terms provided in such restrictions and covenants.

14.10. Amendment. This Article shall not be amended without the prior written consent of the Declarant so long as the Declarant owns any property described in Exhibit "A." The rights contained in this Article shall terminate upon the earlier of (a) 30 years after the conveyance of the first Lot to a Home Owner after the issuance of the first Public Report, or (b) upon recording by Declarant of a written statement that all sales activity has ceased. Thereafter, the Declarant and Builders may continue to use the Common Areas for purposes stated in this Article only pursuant to a rental or lease agreement between the Declarant and/or such Builder and the Association which provides for rental payments based on the fair market rental value of any such portion of the Common Areas.

ARTICLE XV GOLF COURSES AND PRIVATE AMENITIES

15.1. Right to Use. Access to and use of any Private Amenity or any golf course within the Properties, which is not a Private Amenity, is strictly subject to the rules and procedures of such Private Amenity or golf course. Subject to such rules and procedures, any Person allocated an Activity Card shall be permitted to enter and use any golf course which is part of the Common Area.

The Private Amenities are not subject to the Governing Documents. No Person automatically gains any right to enter or use any Private Amenity, including any golf course

which is a Private Amenity by virtue of membership in the Association, ownership of a Lot, or occupancy of a Dwelling Unit. Rights to use the Private Amenities will be granted only to such Persons, and on such terms and conditions, as may be determined by their respective owners. Except as otherwise agreed by any owner of a Private Amenity, such owners shall have the right, from time to time in their sole and absolute discretion and without notice, to amend or waive the terms and conditions for use of their respective Private Amenities and to terminate use rights altogether.

Except as provided herein, no representations or warranties, either written or oral, have been or are made by the Declarant or any other Person with regard to the nature or size of improvements to, or the continuing ownership or operation of, any Private Amenity. No purported representation or warranty, written or oral, in conflict with this Section shall be effective without an amendment to this Declaration executed or joined into by the Declarant (so long as the Declarant owns any property described in Exhibit "A" and the owner(s) of any Private Amenity which is the subject thereof).

15.2. Assumption of Risk and Indemnification. Each Owner, by purchasing a Lot in the vicinity of any golf course, hereby expressly assumes the risk of noise, personal injury or property damage caused by maintenance and operation of any such golf course, including, without limitation: (a) noise from maintenance equipment (it being specifically understood that such maintenance typically takes place around sunrise or sunset), (b) noise caused by golfers, (c) use of pesticides, herbicides and fertilizers, (d) use of effluent in the irrigation of the golf course, (e) reduction in privacy caused by constant golf traffic on the golf course or the removal or pruning of shrubbery or trees on the golf course, (f) errant golf balls and golf clubs, and (g) design of the golf course.

Each such Owner agrees that neither Declarant, the Association, nor any of Declarant's affiliates or agents shall be liable to Owner or any other Person claiming any loss or damage, including, without limitation, indirect, special, or consequential loss or damage arising from personal injury, destruction of property, trespass, loss of enjoyment, or any other alleged wrong or entitlement to remedy based upon, due to, arising from, or otherwise related to the proximity of Owner's Lot to a golf course, including, without limitation, any claim arising in whole or in part from the negligence of Declarant, any of Declarant's affiliates or agents or the Association. The Owner hereby agrees to indemnify and hold harmless Declarant, Declarant's affiliates and agents, and the Association against any and all claims by Owner's visitors, tenants, and others upon such Owner's Lot.

15.3. Golf Course View. Neither the Declarant nor the Association guarantees or represents that any view over and across any golf course from adjacent Lots will be preserved without impairment. No provision of this Declaration shall be deemed to create an obligation of the Association or the Declarant to prune or thin trees or other landscaping except as provided in Article V. Each Owner acknowledges and agrees that trees and other landscaping may be added to any golf course from time to time. In addition, the location, configuration, size, and elevation of the tees, bunkers, fairways, and greens on any golf course may be changed from time to time, in the discretion of the owner or operator of the golf course. Any such additions or changes to such golf course may diminish or obstruct any view from the Lots and any express or implied

easements for view purposes or for the passage of light and air are hereby expressly disclaimed. Any such addition or change to any golf course may not adversely affect drainage flow across the Properties.

15.4. Cooperation. It is Declarant's intention that the Association and the owners of any Private Amenities shall cooperate to the maximum extent possible in the operation of the Properties and the Private Amenities. Each shall reasonably assist the other in upholding the Community-Wide Standard. The Association shall have no power under this Declaration to promulgate Use Restrictions affecting activities on or use of the Private Amenities without the prior written consent of the owners of the Private Amenities affected thereby.

ARTICLE XVI DISPUTE RESOLUTION

16.1. Agreement to Avoid Litigation. The Declarant, the Association, its officers, directors, and committee members, all Persons subject to this Declaration, any Builder, and any Person not otherwise subject to this Declaration who agrees to submit to this Article (collectively, "Bound Parties") agree to encourage the amicable resolution of disputes involving the Properties, without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees that the claims, grievances, or disputes described in Sections 16.2 ("Claims") shall be resolved using the procedures set forth in Section 16.3 in lieu of filing suit in any court

16.2. Claims. Unless specifically exempted below, all claims, grievances, or disputes arising out of or relating to the interpretation, application, or enforcement of the Governing Documents, or the rights, obligations, and duties of any Bound Party under the Governing Documents or relating to the design or construction of improvements on the Properties shall be subject to the provisions of Section 16.3.

Notwithstanding the above, the following shall not be Claims and shall not be subject to the provisions of Section 16.3:

(a) any suit by the Association against any Bound Party to enforce the provisions of Article DC;

(b) any suit by the Association to enforce the provisions of Article X and Article XI, and/or to obtain a temporary restraining order (or other equitable relief), specific performance, and/or such other ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's ability to enforce the provisions of Article X and Article XI;

(c) any claim, grievance, dispute or suit between Owners, or between Owner(s) and occupants), which does not relate to the interpretation, application, or enforcement of the Governing Documents and does not include Declarant or the Association as a party. While disputes between Owners do not constitute Claims under this Article XVI, Owners are strongly encouraged (but not required) to employ alternative dispute resolution procedures (including but not limited to, those set forth in Section 16.3 below) in resolving such disputes; however, neither

the Declarant nor the Association shall have any obligation to mediate or provide conciliation or any other services to resolve such disputes;

- (d) any suit in which any indispensable party is not a Bound Party;
- (e) any suit which otherwise would be barred by any applicable statute of limitations; and
- (f) any claim, grievance, dispute, action, or cause of action asserted by an Owner or occupant to challenge the actions of the Declarant, the Association, the Board, the ARC, any subcommittee of the ARC, any covenants committee, or any other committee with respect to any review, processing, approval or disapproval in connection with, or any exercise of review or veto power pursuant to, or the application or enforcement of, any of the provisions of Article X or Article XI.

16.3. Mandatory Procedures.

(a) Notice. Any Bound Party having a Claim ("Claimant") against any other Bound Party ("Respondent") (collectively, the "Parties") shall notify each Respondent in writing (the "Notice"), stating plainly and concisely:

- (i) The nature of the Claim, including the Persons involved and Respondent's role in the Claim;
- (ii) The legal basis of the Claim (i.e., the specific authority out of which the Claim arises); and
- (iii) Claimant's proposed remedy (the "Settlement Demand").

Within 10 days following receipt of a Notice, the Respondent may reply in writing to the Claimant stating its response to the Claim and, if appropriate, its written offer of settlement (the "Settlement Offer"). If the Parties, at their option, choose to negotiate with respect to the Claim and if either Party modifies its Settlement Demand or Settlement Offer in writing during the course of such negotiations, the last Settlement Demand and/or Settlement Offer shall be deemed the best and final response of such Party.

(b) Final and Binding Arbitration.

(i) If the Parties do not agree in writing to a settlement of the Claim within 15 days after the Notice, either party may submit the Claim to arbitration in accordance with the Rules of Arbitration contained in Exhibit "D" or such rules as may be required by the agency providing the arbitrator. If not timely submitted to arbitration or if the Claimant fails to appear for the arbitration proceeding, the Claim shall be deemed abandoned, and Respondent shall be released and discharged from any and all liability to Claimant arising out of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to Persons other than Claimant.

(ii) This subsection (b) is an agreement to arbitrate and is specifically enforceable under the applicable arbitration laws of the State of Arizona. The arbitration award (the "Award") shall be final and binding, and judgment may be entered upon it in any court of competent jurisdiction to the fullest extent permitted under the laws of the State of Arizona.

16.4. Allocation of Costs of Resolving Claims. Any Award which is equal to or more favorable to Claimant than Claimant's Settlement Demand shall add Claimant's attorney's fees and costs (including expert witness fees) incurred in the arbitration to the Award, such costs to be borne equally by all Respondents against whom the Award is imposed. Any Award which is equal to or less favorable to Claimant than any Respondent's Settlement Offer shall award to such Respondent its attorney's fees and costs (including expert witness fees) incurred in the arbitration.

16.5. Enforcement of Resolution. After resolution of any Claim, if any Party fails to abide by the terms of any agreement or Award, then any other Party may file suit or initiate administrative proceedings to enforce such agreement or Award without the need to again comply with the procedures set forth in Section 16.3. In such event, the Party taking action to enforce the agreement or Award shall be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties in equal amounts) all costs incurred in enforcing such agreement or Award, including, without limitation, attorneys, fees and court costs.

ARTICLE XVII GENERAL PROVISIONS

17.1. Term. This Declaration shall run with and bind the Properties, and shall inure to the benefit of and shall be enforceable by the Association or any Owner, their respective legal representatives, heirs, successors, and assigns, for a term of 20 years from the date this Declaration is recorded. After such time, this Declaration shall be automatically extended for successive periods of ten years, unless an instrument in writing, signed by a majority of the then Owners, has been recorded within the year preceding each extension, agreeing to amend, in whole or in part, or terminate this Declaration, in which case this Declaration shall be amended or terminated as specified therein.

17.2. Amendment.

(a) By Declarant Until termination of the Class "B" Control Period, Declarant may unilaterally amend this Declaration for any purpose. Thereafter, the Declarant may unilaterally amend this Declaration if such amendment is (i) necessary to bring any provision into compliance with any applicable governmental statutes, rule, regulation, or judicial determination; (ii) necessary to enable any reputable title insurance company to issue title insurance coverage on the Lots; (iii) required by an institutional or governmental lender or purchaser of Mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots; (iv) necessary to enable any governmental agency or

reputable private insurance company to guarantee or insure Mortgage loans on the Lots; or (v) otherwise necessary to satisfy the requirements of any governmental agency for approval of this Declaration. However, any such amendment shall not adversely affect the title to any Lot unless the affected Owner shall consent thereto in writing. In addition, as long as Declarant owns any portion of the Properties, it may unilaterally amend this Declaration for any other purpose, provided the amendment does not materially adversely affect the rights of any Owner.

(b) By Owners. Except as provided in Section 17.2(a), this Declaration may be amended only by the affirmative vote or written consent, or any combination thereof; of 67% of the Class "A" votes, and the consent of the Declarant, as long as Declarant owns any of the property described in Exhibit "A."

Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

(c) Validity and Effective Date of Amendments. Amendments to this Declaration shall become effective upon recordation in the Office of the County Recorder unless a later effective date is specified therein. Any procedural challenge to an amendment must be made within six months of its recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of this Declaration.

If an Owner consents to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority so to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

Notwithstanding any provision of this Declaration to the contrary, no amendment may remove, revoke, or modify any right or privilege of the Declarant without the written consent of the Declarant or the assignee of such right or privilege as long as the Declarant owns any property described in Exhibit "A."

17.3. Severability. Invalidation of any provision of this Declaration, in whole or in part, or any application of a provision of this Declaration by judgment or court order shall in no way affect other provisions or applications.

17.4. Perpetuities. If any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one years after the death of the last survivor of the now living descendants of Elizabeth H, Queen of England

17.5. Cumulative Effect: Conflict The covenants, restrictions, and provisions of this Declaration shall be cumulative with those of any Neighborhood and the Association may, but shall not be required to, enforce the covenants, conditions, and provisions of any Neighborhood; provided, however, in the event of conflict between or among such covenants and restrictions,

and provisions of any articles of incorporation, by-laws, rules and regulations, policies, or practices adopted or carried out pursuant thereto, those of any Neighborhood shall be subject and subordinate to those of the Association. The foregoing priorities shall apply, but not be limited to, the liens for assessments created in favor of the Association.

17.6. Use of the Words "Sun City Grand." No Person shall use the words "Sun City Grand" or any derivative, or any other term which Declarant may select as the name of this development or any component thereof, in any printed or promotional material without the Declarant's prior written consent. However, Owners may use the words "Sun City Grand" in printed or promotional matter solely to specify that particular property is located within the Properties and the Association shall be entitled to use the words "Sun City Grand" in its name.

17.7. Del Webb Marks. Any use by the Association of names, marks or symbols of Del Webb Corporation or any of its affiliates (collectively "Del Webb Marks" shall inure to the benefit of Del Webb Corporation and shall be subject to Del Webb Corporation's periodic review for quality control. The Association shall enter into license agreements with Del Webb Corporation, terminable with or without cause and in a form specified by Del Webb Corporation in its sole discretion, with respect to permissive use of certain Del Webb Marks. The Association shall not use any Del Webb Mark without Del Webb Corporation's prior written consent.

17.8. Compliance. Every Owner and occupant of any Lot shall comply with the Governing Documents. Failure to comply shall be grounds for an action to recover sums due, for damages or injunctive relief, or for any other remedy available at law or in equity, by the Association, the Declarant, or, in a proper case, by any aggrieved Lot Owner(s).

17.9. Notice of Sale or Transfer of Title. Any Owner desiring to sell or otherwise transfer title to his or her Lot shall give the Board at least seven days prior written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board may reasonably require. The transferor shall continue to be jointly and severally responsible with the transferee for all obligations of the Owner of the Lot, including assessment obligations, until the date upon which such notice is received by the Board, notwithstanding the transfer of title.

17.10. Attorneys' Fees. Except as otherwise provided in Article XVII, in the event of an action instituted to enforce any of the provisions contained in the Governing Documents the party prevailing in such action shall be entitled to recover from the other party thereto as part of the judgment, reasonable attorneys' fees and costs, including administrative and lien fees, of such suit. In the event the Association is a prevailing party in such action, the amount of such attorneys' fees and costs shall be a Benefitted Assessment with respect to the Lot(s) involved in the action.

EXHIBIT "D"

Rules of Arbitration

1. Claimant shall submit a Claim to arbitration under these Rules by giving written notice to all other Parties stating plainly and concisely the nature of the Claim, the remedy sought and Claimant's submission of the Claim to arbitration ("Arbitration Notice").

2. The Parties shall select arbitrators ("Party Appointed Arbitrators") as follows: all the Claimants shall agree upon one Party Appointed Arbitrator, and all the Respondents shall agree upon one Party Appointed Arbitrator, The Party Appointed Arbitrators shall, by agreement, select one neutral arbitrator ("Neutral") so that the total arbitration panel ("Panel") has three arbitrators,

3. If the Panel is not selected under Rule 2 within 45 days from the date of the Arbitration Notice, any party may notify the nearest chapter of The Community Associations Institute, for any dispute arising under the Governing Documents, or the American Arbitration Association, or such other independent body providing arbitration services, for any dispute relating to the design or construction of improvements on the Properties, which shall appoint one Neutral ("Appointed Neutral"), notifying the Appointed Neutral and all Parties in writing of such appointment The Appointed Neutral shall thereafter be the sole arbitrator and any Party Appointed Arbitrators or their designees shall have no further duties involving the arbitration proceedings.

4. No person may serve as a Neutral in any arbitration in which that person has any financial or personal interest in the result of the arbitration. Any person designated as a Neutral or Appointed Neutral shall immediately disclose in writing to all Parties any circumstance likely to affect impartiality, including any bias or financial or personal interest in the outcome of the arbitration ("Bias Disclosure"). If any Party objects to the service of any Neutral or Appointed Neutral after receipt of that Neutral's Bias Disclosure, such Neutral or Appointed Neutral shall be replaced in the same manner in which that Neutral or Appointed Neutral was selected.

5. The Appointed Neutral or Neutral, as the case may be ("Arbitrator") shall fix the date, time and place for the hearing. The place of the hearing shall be within the Properties unless otherwise agreed by the Parties. In fixing the date of the hearing, or in continuing a hearing, the Arbitrator shall take into consideration the amount of time reasonably required to determine Claimant's damages accurately.

In the event the Respondent fails to participate in the arbitration proceeding, the Arbitrator may not enter an Award by default, but shall hear Claimant's case and decide accordingly.

7. All persons who, in the judgment of the Arbitrator, have a direct interest in the arbitration are entitled to attend hearings. The Arbitrator shall determine any relevant legal

issues, including whether all indispensable parties are Bound Parties or whether the claim is barred by the statute of limitations.

9. The hearing shall be conducted in whatever manner will, in the Arbitrator's judgment, most fairly and expeditiously permit the foil presentation of the evidence and arguments of the Parties. The Arbitrator may issue such orders as it deems necessary to safeguard rights of the Parties in the dispute without prejudice to the rights of the Parties or the final determination of the dispute.

10. If the Arbitrator decides that it has insufficient expertise to determine a relevant issue raised during arbitration, the Arbitrator may retain the services of an independent expert who will assist the Arbitrator in making the necessary determination. The scope of such professional's assistance shall be determined by the Arbitrator in the Arbitrator's discretion. Such independent professional must not have any bias or financial or personal interest in the outcome of the arbitration, and shall immediately notify the Parties of any such bias or interest by delivering a Bias Disclosure to the Parties. 11. No formal discovery shall be conducted in the absence of express written agreement among all the Parties. The only evidence to be presented at the hearing shall be that which is disclosed to all Parties at least 30 days prior to the hearing; provided, however, no Party shall deliberately withhold or refuse to disclose any evidence which is relevant and material to the Claim, and is not otherwise privileged. The Parties may offer such evidence as is relevant and material to the Claim, and shall produce such additional evidence as the Arbitrator may deem necessary to an understanding and determination of the Claim. The Arbitrator shall be the sole judge of the relevance and materiality of any evidence offered, and conformity to the legal rules of evidence shall not be necessary. The Arbitrator shall be authorized, but not required, to administer oaths to witnesses.

12. The Arbitrator shall declare the hearings closed when satisfied the record is complete.

13. There will be no post hearing briefs.

14. The Award shall be rendered immediately following the close of the hearing, if possible, and no later than 14 days from the close of the hearing, unless otherwise agreed by the Parties. The Award shall be in writing, shall be signed by the Arbitrator and acknowledged before a notary public. If the Arbitrator believes an opinion is necessary, it shall be in summary form.

15. If there is more than one arbitrator, all decisions of the Panel and the Award shall be by majority vote.

16. Each Party agrees to accept as legal delivery of the Award the deposit of a true copy in the mail addressed to that Party or its attorney at the address communicated to the Arbitrator at the hearing.
