Residents may sign up for tee times six (6) to fourteen (14) days in advance using the automated tee time system. Requests are processed 6 days out, after which you may book a tee time by calling the golf shops or by using the automated tee time system. Prior to using the automated tee time system for the first time, residents must register at the Granite Falls golf shop.

“Play of the Day” calendars are available on a monthly basis for each of the courses. These calendars are helpful for planning your golf schedule and making reservations.

Please note: earlier tee-times (than what are shown on the calendars) may be added, based on available daylight. Calendars are subject to change.

If a resident has at least 2 paying guests, reservations may be made up to two (2) weeks in advance by contacting the golf shop at the course you wish to play. If two guests are unable to play, at least two guest fees must be paid. Otherwise, the entire tee time must be cancelled at least 24 hours in advance. Please ask the golf shop for more information in regards to pre-booking with guests.

Check-In
All golfers must check in with the pro shop, and present their valid activity card, at least 15 minutes prior to their tee-time, including shotgun starts. Failure to do so may result in having that tee-time/hole assignment released to a standby golfer. Residents who do not provide a valid resident ID card will be charged the guest fee. There is no refund for inclement weather.

Driving Range
The driving ranges are usually open 7 days a week. They are usually closed for a few hours at a time two days a week for regular scheduled maintenance. Please check with the golf shops to find out the day and time each range will be closed.

Range balls and baskets are golf course property and may not be removed from the premise. Violators will be subject to loss of playing privileges.
Attire
Proper attire as described below applies to all players when playing one of the four Grand Golf courses at Sun City Grand.

SHIRTS
All men’s shirts must have collars (mocks are permitted). Women’s shirts may be sleeveless without collars, but must be designed for golf. Examples of inappropriate shirts are: t-shirts, muscle shirts, tank tops and halter-tops.

SHORTS
All shorts must be mid-thigh in length, loose fitting and hemmed. Examples of inappropriate shorts are: cut-offs, denim shorts, sweats, athletic shorts, swimming trunks and the like.

SLACKS
All slacks should be appropriate traditional golf attire. Examples of inappropriate slacks are: denim jeans or slacks with tears and holes in them.

SHOES
Grand Golf is a non-metal spike facility.

Relaxation of the dress code as it applies to spectators is permitted as long as normal standards of decency and good taste are maintained.

All members should inform their guest(s) of this policy prior to their arrival.

All dress code issues will be at the discretion of the Professional Staff and we ask that all members and guests honor their discretions.

Golf Cars
Only electric-powered golf cars, designed for only 2 people when playing golf, are permitted on the courses. All cars must be registered and licensed with the Arizona Motor Vehicle Department.

Grand Golf is equipped with a Solo Rider golf car. A Solo Rider golf car is a vehicle that will allow golfers that are mobility-impaired to enjoy the game of golf. We are very proud of owning this vehicle and hope to continue to enrich the lives of Sun City Grand residents.

For additional information regarding golf at Sun City Grand, please stop by the golf shop or visit www.grandinfo.com.

This is just a brief outline of the rules and regulations for the golf course(s). The above information/rules are subject to change at anytime.
If you are thinking of buying a new or used golf car and you intend to use the golf car on the Sun City Grand (SCG) courses, Section I provides some general advice and Section II has the Rules and Specifications.

If you have any questions regarding the rules, please contact the Director of Golf Operations or one of the Golf Professionals.

Section I

Since you want to use your golf car on our courses, we would highly recommend that you consider a traditional style, two passenger golf car specifically designed for golf. These golf cars are sold by a number of companies and will be similar in configuration to the golf cars you see for rent at our courses. If you are looking at traditional golf cars, make sure the golf car meets our specifications as outlined in Section II. A “lifted” golf car may look great but it can also be dangerous in turns even at slow speeds. Lowered golf cars may “high center” on the course causing damage to the course.

If you are considering a golf car that will accommodate more than two people, use caution, as it may not be allowed on the course. Standard wheel base golf cars that have two seats facing forward and an additional seat that faces the rear and doubles as the storage area for golf bags are permitted.

In addition to traditional style golf cars, the market also offers an ever expanding number of “designers” and neighborhood electric vehicles. These golf cars are often real eye-catchers because their styles frequently emulate hotrods, 4X4s or other high performance vehicles. Such golf cars are great looking but are often better suited to road use rather than golf. Frequently, because of their increased size, modified ground clearance and/or wheel and tire combinations, these golf cars can cause damage to our courses well in excess of the wear and tear caused by standard golf cars. If that is the case with a golf car you purchase, it will not be allowed on our courses.

We would like to offer more assistance in regard to “Designer Golf Cars” but because of the number of these golf cars and their rapidly changing styles, that is impossible. If you truly want to use your new golf car on the Sun City Grand golf courses then the purchase of one of these “Designer Golf Cars” is a high risk proposition. Golf cars that do not meet the Specifications in Section II will not be permitted on our courses.

Section II

The following Specifications are necessary so that 2 golf cars can safely pass each other in the tunnels on the golf courses, fit within the marked golf car parking spaces at each golf course and minimize their effect on the golf course turf.
Specifications for a golf car are:

1. Golf car length (bumper to bumper) of 105 inches or less.
2. Golf car width without accessories (side mirrors, sand bottles etc.) of 47 inches or less.
3. Golf car width with accessories (side mirrors, sand bottles etc.) of 57 inches or less.
4. Golf car height including accessories (air conditioning, flags etc.) of 100 inches or less.
5. Tread width (tread touching the ground) of 7 inches or more.
6. 4 tires that are either turf tires or tires with smooth surface street tread (no knobby or specialty off road tires).

Gas golf cars are prohibited from use on the golf courses at Sun City Grand with the exception of the vehicles and golf cars used for the purpose of course maintenance and beverage service.

Specifications 1 thru 6 are to assist Golf Operations in maintaining the SCG golf courses in optimum playing conditions. Any golf car that is found to not meet the above specifications or to be damaging to the golf course turf shall be required to modify said golf car so that it will meet the above Specifications or it will not be allowed to be used on the Sun City Grand golf courses.

Additional regulations that apply to the use of Golf Cars in SCG are:

1. There is a 2 golf car per foursome limitation while playing golf. Exceptions must be approved in advance by the Director of Golf Operations or designee.
2. A maximum of two bags and two persons are allowed per golf car while playing golf.
3. Privately owned golf cars are permitted on SCG golf courses. It is expected that the golf cars are street legal with current Arizona registration and insurance.
4. During transition, course maintenance or inclement weather use of golf cars may be restricted to cart paths only. This may also apply to any golfers that have a SCG Special Needs designation issued by SCG for golf course use. The Director of Golf Operations or designee will make this decision as late as the day of play.
5. Golf cars are not allowed on the golf course unless participating in an authorized round of golf.
6. Do not use golf paths to travel to or from the golf courses.

To avoid damage to the golf course and/or to yourself, please operate your golf car at a reasonable speed.

All golf cars currently used on Sun City Grand Golf courses are grandfathered in only to the current owner as of April 24, 2014. Grandfathered golf cars that are not in compliance need to be registered with the Director of Golf or designee at the Desert Springs golf shop by December 31, 2014.

**ADDITIONAL INFORMATION:**
The automated system is available for residents to request tee times at the four Sun City Grand golf courses. Residents of Sun City Grand must obtain an assigned number and password at the Granite Falls Golf Shop. There is a one-time set-up fee of $25. Membership for renters in the automated tee-time system will expire at the end of the lease.

**REQUESTS:** Tee time requests may be made 6-14 days in advance. A request is not a confirmed tee time. You will receive a confirmation of the actual confirmed tee time 5 days in advance of the requested time. The system processes tee time requests at approximately 6:00 am each day.

**E-MAILS:** If you have a valid e-mail address registered with the system, you will receive an immediate e-mail notification acknowledgment that the system has received a tee time Request. Five days prior to play, you will receive an e-mail Confirmation showing time and course assigned, or you will receive an e-mail stating that you are on the Overflow list. If you receive an overflow e-mail, this means that you did not receive a confirmed tee time.

**BOOKINGS:** You have the ability to book your own tee times 2-5 days in advance of play. It is important to list all the players before selecting “display times”. Once you have highlighted the time you wish to play and click Submit, the tee time is confirmed and reserved for those players listed.

**9/18-HOLE PLAY:** The automated tee-time system is programmed to look for 18-hole play until 3:00 pm. If you wish to play after 3:00 pm or off the back 9 in the mornings on a tee time course, you must choose 9-hole play to display those times. This is a reservation system only; please refer to our rate sheets to determine twilight time periods and pricing, which may differ from what the system lists as 9-hole play.

**PHONE:** You may make tee-time requests, bookings or review requests by using the telephone. Call the automated tee-time system at 623-546-7461 and follow the prompts.

**GUESTS:** If you have two or more guests (golfers paying a guest rate), the golf staff will be happy to pre-book a guaranteed tee time 6-14 days in advance. **In return, you must guarantee two guest rates per pre-booked tee time.** If you do not have two guests at the time of check in, you will be charged the current guest fee(s) necessary to meet the pre-book obligation of two guest rates per pre-booked tee time.

C.H.A.P.S.
Community Homeowners Association Patrol Service
This is both a vacation watch program and a patrol service consisting of resident volunteers who do vacation watch for resident homes and patrol neighborhoods in the evening. If you are interested in participating in this valuable program, you can sign up to be on an inspection team that goes out and monitors the resident homes, or you can be a patroller who patrols the Community in the evening. Volunteers may sign up by calling 623-546-7473 or completing a C.H.A.P.S. application form located at the Membership Office or on the grandinfo.com website.
We are looking for SCG men and women volunteers to help with Vacation Watch and Evening Patrol. We will supply vehicles and training.

Call Monica Rodriguez (CAM) 623-546-7473 or the C.H.A.P.S. office 623-546-7553 and leave a message if you are interested in joining us!

**VACATION WATCH**

When residents are away from home for two weeks or more, they are encouraged to fill out a Vacation Watch form which is available in the Welcome Center and the Membership Office at the Palm Center, as well as online at grandinfo.com. Completed forms are to be returned to the Membership Office in the Palm Center. Three criteria are required for homeowners to use this program: (1) homeowner must be away for a minimum of two weeks; (2) a keyholder must be identified on the request form; and (3) homes for sale and those using paid house-sitting services will NOT be accepted. C.H.A.P.S. volunteers will walk around the home checking for unlocked doors, unlocked or broken windows, etc. The goal is to make the house look occupied. When an irregularity is found, the designated keyholder will be notified. C.H.A.P.S. does not report homeowner violations to the Standards Office.

**EVENING PATROL**

During evening hours, volunteers patrol our streets in Association vehicles to observe and report unusual activity. The volunteers look for breaches of security such as open garage doors, suspicious vehicles and/or people. Street light outages and road hazards will be reported to the proper authorities.

**TO VOLUNTEER**

We are actively looking for new volunteers. All residents are welcome. We will provide classroom and field training. There are two-person patrols where you select your days/evenings to volunteer and you select how many times each month you wish to volunteer.

**GENERAL MEETINGS**

We meet the fourth Tuesday of each month at 1:30 pm at the Sonoran Plaza. We welcome you to come to one of our meetings to learn more about C.H.A.P.S. or you may call the CAM office at (623)546-7473 or the C.H.A.P.S. office at (623)546-7553.

**DONATIONS**

C.H.A.P.S. welcomes all donations. Those wishing to make donations may do so at the Membership Office. Make checks payable to Sun City Grand Community Association and designate “Donation to C.H.A.P.S.”

Closing Your Home

FOR THE SUMMER

Suggestions for when you are leaving your home for an extended period of time:

- Close all blinds (if you are going to leave timers on your lights, leave an opening in the blinds so it looks as if someone is home). Surprise Police always recommend that you try to make your home look “occupied.”
- Empty the refrigerator of anything that would spoil. A full refrigerator actually uses less energy, so load it up with anything that won’t spoil.
- Turn off the ice maker in the refrigerator.
- Close all sink drains in the kitchen and all bathrooms.
- Place buckets of water (on towels) around the home. Your wood will appreciate a little moisture during our hot summers.
- Set thermostat at 50-55º F (winter months) 85-92º F (summer months).
- Turn hot water heater to pilot.
- Close water supply valve under toilets.
- Saran Wrap on toilet bowls to help keep water from evaporating.
- Close washing machine hoses.
- Unplug/or lock the garage door.
- Shut off main water valve in front or side of home.
- Place any outdoor furniture or grills in the garage for safekeeping—do not simply stack up against the home—this gives the wrong message.
- Cover furniture
- Check irrigation and water clock—change battery on a regular basis.
- Check furnace filters to make sure they are clean before leaving.
- Disconnect car battery.
- **Optional**: put about 1 tbs. of vegetable oil in the dishwasher (do not latch).
- **Optional**: put about ½ c. of vegetable oil down the garbage disposal.
- Surprise Police also recommend that you lock up everything and then leave by the front door to make sure it is locked.

Stop the local free papers that are thrown in your yard:

- Surprise Today – 623-977-8351

- Update your keyholder information at the Membership Office or phone 623-546-7444.

Many owners hire a house sitter to come in and flush the toilets and run water every couple of weeks so that everything stays running smoothly. If you do not hire a house sitter, you may register your home with the C.H.A.P.S. Vacation Watch program.

Design Guidelines (DG's) is the document mandated by the Sun City Grand Covenants, Conditions, & Restrictions (CC&R's), to protect the value and the aesthetic integrity of this beautiful community. The Board of Directors has established the Architectural Review Committee (ARC), a Board advisory committee, accountable for establishing and preserving the harmonious landscape and structural design of Sun City Grand. Toward fulfillment of this shared mission, all homeowners must submit an application form, known as “Appendix B,” for approval by the ARC, for any modification you wish to make to the outside of your home or property. As homeowners, you each play an important role in accomplishing this goal through understanding, cooperating, and supporting these guidelines, established by and for the community.

The ARC appoints an ARC Subcommittee, who first undergo training on the guidelines in the DG’s, and then meet weekly to review all applications received in the Standards Office by noon each Wednesday. Two subcommittee members independently review each application for the plan’s compliance with the current DG’s. When an application is approved, homeowners have 90 days in which to complete their projects. If an application is not approved, owners have the option of making an appeal of the decision by the Subcommittee. The appeal will be presented at a monthly meeting of the ARC. The decision of the ARC is a final decision, and is not appealable to any other entity.

The staff of the Community Standards Department are responsible for supporting and enforcing the governing documents of Sun City Grand. They provide administrative support for the efforts of the ARC. The personable Standards staff are anxious to help you at any time by clarifying information found in the documents, answering your questions, assisting you with applications for approval, and taking your reports of possible compliance issues in need of inspection. If they don’t have the answer to your question, they will do their best to help you find it. They are available to help you every weekday from 9 am to 4 pm, and can be contacted by email, phone, or stopping by the Standards offices in the Palm Center.

The ARC meets every Thursday

Plans must be submitted to the Standards Office by noon on Wednesday. The committee has 30 days to review your plan, but most are ready to be picked up the following Monday after 9 am. If you have questions about your submission, please call 623-546-7474. In the event your submission has been disapproved, it must be modified and resubmitted prior to commencing work.

If you are planning an exterior modification and/or landscaping, please consider the following for assistance in finding reputable and qualified vendors/contractors:

Sun City Grand does not recommend or promote any contractor. To assist in choosing a contractor, contact the PORA Office in Sun City West, 623-214-1646. Check the contractor’s record through the Registrar of Contractors, 602-542-1525.

Plan your project carefully. Remember, all modifications to the exterior of your home require prior written ARC approval.

Any alteration to your home including, but not limited to, extending patios, applying screens, installing pools, building front courtyard or rear patio walls, or additions must be submitted to the ARC.
